Faculty and Graduate Teaching Assistants!
Join Us for this Special Interactive Seminar

Classroom Management and Dealing with Problems

- *How should you respond to common teaching problems with students such as grade disagreements and persistent talking during class?*
- *How do you de-escalate situations before they get out of hand?*
- *Do you need advice, strategies, and better understandings of how to deal with student-faculty interactions and classroom problems?*

Join us for this interactive and informative seminar led by experienced faculty in CRTLE along with Officer Garry Douthitt of the UTA Campus Police and Dan Moore of the Office of Student Conduct. We will review various classroom and student-faculty interaction scenarios followed by lively discussion -- sharing advice, strategies, and procedures on preventing, de-escalating, and dealing with classroom problems.

November 19, 2019
12:30 pm - 2:30 pm
ERB 570
Lunch will be provided

Create Your Own Domain for Learner Hubs, Flexible Portfolios, and more with UTA Cloud!

Have you ever wanted to try out new ideas beyond the usual ones we use at UTA? Did you know there is service available for free to UTA faculty, staff, and students with over 100 one-click install tools you can use to create websites, learning hubs, portfolios, and more? This session will look at a tool called **UTA Cloud**, a locally supported instance of *Domain of One's Own*, which promotes the development of web literacy and digital identity by providing users with their own website and resources to help them customize it based on their needs.

November 20, 2019
12:00 pm - 1:00 pm
NH 246 CRTLE LINK Lab
Lunch will be provided
