Engaging the Disengaged: Motivating Our Students Towards Success

Series Session 1

Wednesday, February 15

12:00 pm - 1:00 pm

CRTLE Classroom Trinity Hall Room 105

With the option to join online in Teams

Presenter: Dr. Amandeep Dhaliwal, Postdoctoral Research Associate, Department of Psychology

Student classroom engagement has declined since the onset of virtual and hybrid classes began during the COVID-19 crisis. Re-engaging students in a classroom has proven to be complicated. In "Engaging the Disengaged" sessions, we explore psychological factors such as trust and belongingness, student-life dynamics, and related social influences that hinder classroom engagement. We examine insights from educational psychology on how to keep students engaged in the classroom and build meaningful relations with peers. *Lunch provided for in-person attendees.*

CRTLE Interactive Session ChatGPT Session 2: Exploring the Evolution and Application of AI in Education

Thursday, February 23

2:00 pm - 3:30 pm

CRTLE Classroom Trinity Hall Room 105

With the option to join online in Teams

Presenters: Dr. George Siemens, Professor of Psychology, Dr. Pete Smith, Professor of Modern Languages, Dr. Peggy Semingson, Associate Professor of Linguistics and TESOL

With CRTLE Team Members and CRTLE Faculty Facilitators

In this second session on ChatGPT we will share some background in AI technology, along with how AI works and how people learn in digital environments. Faculty members experienced with AI technology will share applications of ChatGPT in teaching to motivate and promote learning. Attendees are invited to interact and share their experiences and perspectives on using ChatGPT in teaching and their professional work. *Refreshments provided for in-person attendees.*

RSVP ChatGPT Session 2 Evolution and Application

Peer Observation of Teaching With Certificate

Thursday, February 16

9:00 am - 11:00 am

CRTLE Classroom 105 Trinity Hall

With the option to join online in Microsoft Teams

Join us for a training workshop on informal consultations and peer observations as required per UT System for tenure and promotion for tenure track faculty, and as per departmental policy, for non-tenure track faculty. A certificate will be provided to attendees qualifying participants as Certified Peer Observers. *Breakfast provided for in-person attendees.*

CRTLE Faculty Lounge

Teaching Students to Think through Laboratory and Inquiry-Based Learning

Friday, February 24

12:00 pm - 1:00 pm

CRTLE Classroom Trinity Hall Room 105

With the option to join online in Microsoft Teams

Presenter: Dr. Frank Foss, Associate Professor, Chemistry and Biochemistry, Distinguished Teaching Professor, CRTLE Faculty Facilitator

This CRTLE Faculty Lounge will interactively present and discuss how to effectively use inquiry-based learning in the laboratory. The session will share insights on how inquiry-based learning promotes student thinking and reasoning as the foundation for lifelong learning.

The CRTLE Faculty Lounge, led by Faculty Facilitators and/or CRTLE Team members, features unique topics, workshops, informal conversation, and exchange of great teaching ideas.

Lunch provided for in-person attendees
