According to the National Student Loan Data System (NSLDS), you received financial aid at multiple institutions over the last four award years. As a result, your FAFSA was flagged by the U.S. Department of Education, and we are required to review your past enrollment and federal aid history to determine your eligibility.

Please list the colleges and universities you attended (July 2021 – June 2025) in the following award years: 2021-22, 2022-23, 2023-24, 2024-25. A transcript for each college is required for this review. Check the box if you submitted the transcript to the Admission Office, or if you attached the transcript to this form. You may be asked for additional information and/or documentation.
