Teamwork is an essential and desirable skill in today's workforce. Put your ideas of collaboration to the test and work with others to efficiently implement teamwork in your course.

"My involvement in the PLC has added to my overall enthusiasm level and has helped to validate my belief in the importance of experiential and team-based learning opportunities for students." -PLC Fellow

To apply or ask for more information, scan the QR code or contact QEP Director Dr. Andrew Clark at: 817-272-3054 or amclark@uta.edu
