SCHOOL OF SOCIAL WORK

Social Work

Many of our degrees offer special emphasis options so that you can tailor your studies to match your career goals, including pre-law, pre-med, pre-dental, pre-optometry, teacher certifications, and many more. Visit department websites or the UTA Catalog (catalog.uta.edu) for more information.

“THE PEOPLE AT UTA ARE SO HELPFUL THAT I AM ALWAYS ON TRACK IN MY COURSES.”

Jimmy Le has always been interested in problem-solving. “I’ve had a passion for mechanical engineering since I was a child,” he says. “I always wanted to know how things worked and how I could make them better.” When it was time to choose a university, UTA was the obvious destination. “I chose UTA for their well-known engineering department,” he says. “UTA’s fast-track program is allowing me to get a head start on my master’s degree.”

“UTA IS MY DREAM SCHOOL.”

Lyan Espinoza wants to be ready for anything the future has in store for her—so she chose to pursue a degree in philosophy at UTA. “Philosophy will show me how to explore and work in the world with a different point of view,” she says. “And UTA is very diverse, which helps students embrace where they come from and where they are going.”

⁺UTA welcomes applicants from non-ranking public or private high schools. You must meet the requirements outlined above and will be considered for admission based on individual review.

⁺⁺The SAT score is calculated by combining the highest Evidence-Based Reading, Writing, and Math scores. The ACT score is the composite score, which includes the English, Reading, Math, and Science sections. UTA does not require an essay.

PAYING FOR COLLEGE

UTA offers an excellent education with affordable tuition, financial aid, and scholarships that keep your costs low and your debt manageable.

COSTS

Good planning can help secure your financial future. Check the Costs chart at the bottom of this page for more information about tuition and other expenses. You can also use the UTA Tuition Estimator tool to obtain a rough estimate of the cost (tuition and fees) involved with attending the University.

Ready, set, succeed

FIRST-YEAR EXPERIENCE COURSE

UNIV 1000, the First-Year Experience, orients students to life on campus and emphasizes engagement beyond the classroom. Students experience the University community by attending campus events and making connections beyond their studies, including interaction with career services, the library, and financial literacy services. Students will identify campus resources to support social and physical wellness.

Caring support

COUNSELING AND PSYCHOLOGICAL SERVICES

These confidential services can help you navigate any academic, career, or personal concerns. While the focus is working with students who can benefit from short-term counseling, we can also connect you to services and people beyond our campus for longer-term counseling. We offer a variety of workshops that cover everything from time management to healthy dating.
