What Students Need to Know About Paying their UTA Tuition

Let your students know that UTA offers five different payment plans to help manage tuition and housing costs. These plans require a down payment ranging from \$200 to \$1,000, depending on the selected plan and the number of installments spread throughout the semester.

Our [Student Accounts Office](#) and [Student Money Management Center](#) are resources to help students understand their payment options.

UTA Admission Dates and Deadlines

May 1, 2025

- Accept UTA Offer of Admission
- Accept UTA Scholarship Offer

**Please note that the College of Architecture Planning and Public Affairs sets its own application deadlines.*

Help Your Students Accept their UTA Offer of Admission

Did you know that UTA does not require students to pay a deposit to secure their spot at the University? They just need to let us know that they intend to come to UTA by accepting their admission.

If you have any students who intend on coming to UTA but haven't accepted their admission, please encourage them to do so as soon as possible.

Share these steps on how they can accept their admission:

1. Log in to [MyMav](#) student portal using their UTA-provided email address.
2. Click on the **Admissions** tile.
3. In the left-hand navigation bar, select **Application Status**.
4. Click **Accept Admission** and select **Yes** to confirm your acceptance.

If students have questions or encounter technical difficulties, contact [our office](#) for assistance.
