

Merit-Based Scholarship Deadline for Fall 2025 is March 1, 2025

UTA offers over \$40 million in scholarships each academic year to help students cover their college expenses. **The deadline for our generous merit-based scholarships for the 2025-26 academic year is March 1.**

Students must turn in all documents required by UTA Admissions before the March 1 deadline to be considered for UTA's merit-based scholarships. By meeting this requirement, all new, incoming students are automatically considered for these scholarships. No additional application is needed.

Encourage your students to submit their application before the deadline so they don't miss out on these scholarship opportunities!
