

[UTA Maverick Roundups are Coming to Houston and Collin County](#)

We will be hosting Maverick Roundup events in Houston and Collin County, offering future students an excellent opportunity to connect with UTA representatives closer to home. The events provide valuable insights into UTA admissions, financial aid, scholarships, academics, and more.

These casual come-and-go events allow students and families to speak with UTA staff, ask questions and submit any missing admission application documents. It is the perfect chance for students in these areas to learn more about UTA. Eligible new applicants will also receive an application fee waiver when they attend. Please share with your student!

[Announcing the New UTA West Fort Worth Campus!](#)

UTA has announced plans to expand its presence in the Dallas-Fort Worth metroplex with the opening of a new campus in west Fort Worth. Set to be located at the intersection of I-30 and I-20 in western Tarrant County, the 51-acre campus will be part of the rapidly growing Walsh Ranch development.

This new addition is a significant step in UTA's ongoing commitment to serve the region's educational needs. The west Fort Worth campus is projected to welcome its first students by fall 2028. The multi-year development plan aims to accommodate more than 10,000 students once fully operational, offering an array of academic programs to support the community's growth.
