

# REACH FOR THE STARS

WITH THE UNIVERSITY OF  
TEXAS AT ARLINGTON

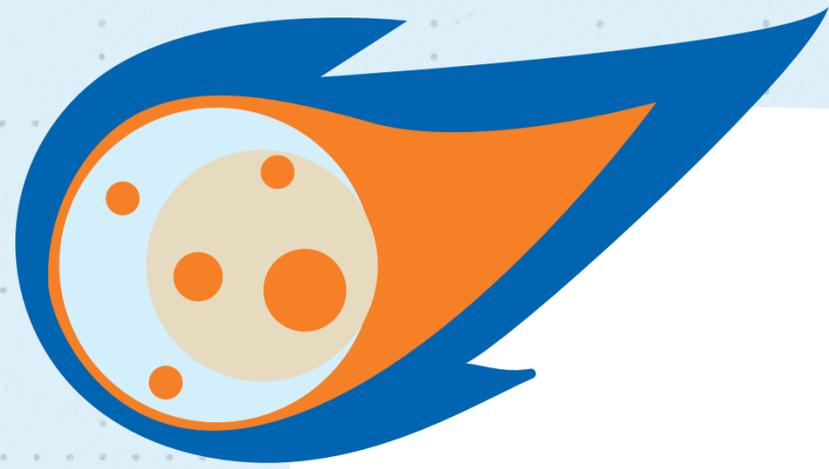

# Why did the sun go to school?

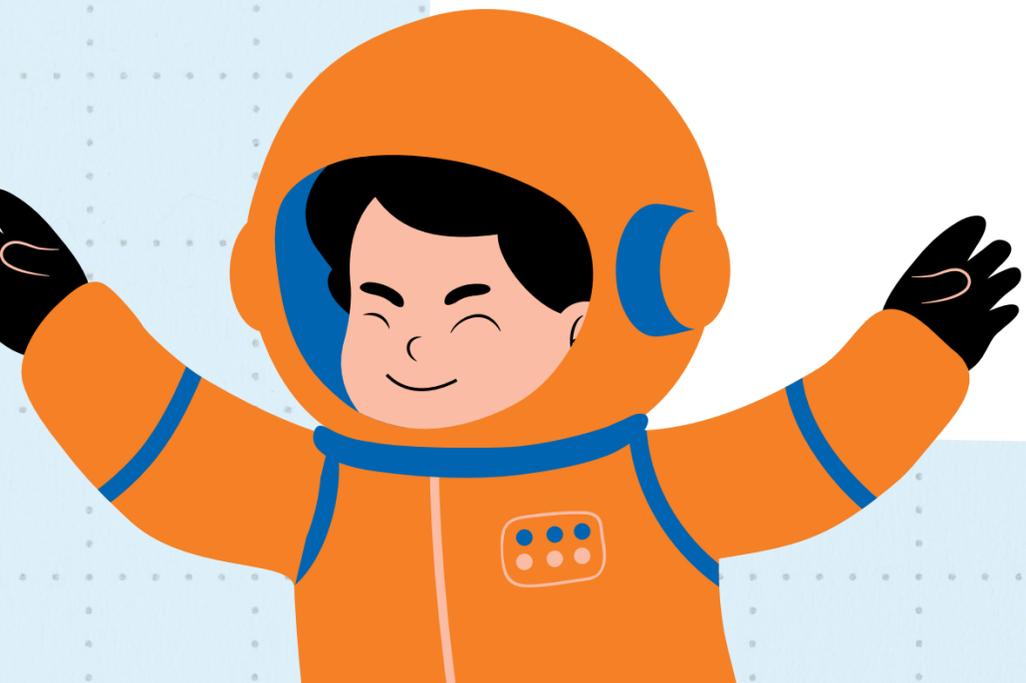

TO GET BRIGHTER!

Speaking of school...

**What do you like to  
learn about in  
school?**

Do you know what nurses do?  
What topic do you think they liked in  
school?

**Yes/No**

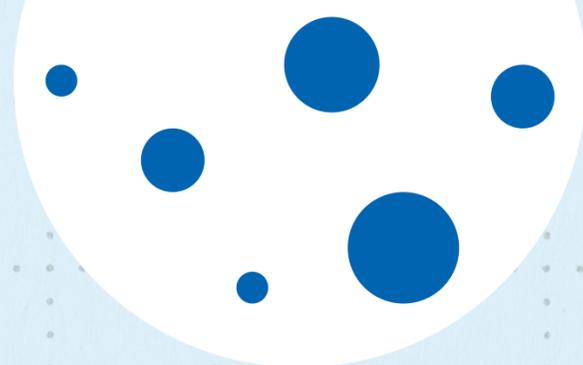

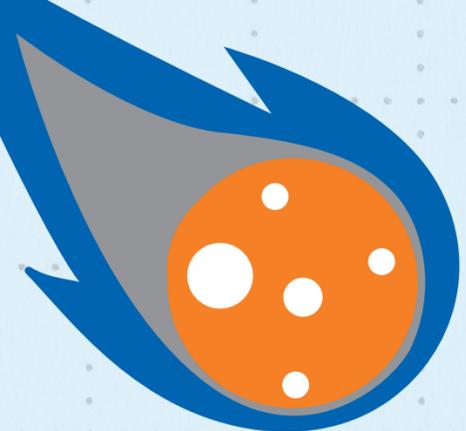

# Launch your learning

What do teachers do?

What do you think is your teacher's favorite thing to learn about?

# My dream job is

\_\_\_\_\_.

How can your favorite subject help you in your dream job?

# Jupiter Recognize

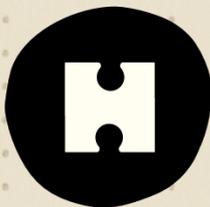

The University of Texas at Arlington helps students learn more about the topics they love, so they can do what they love!

Science → Doctor

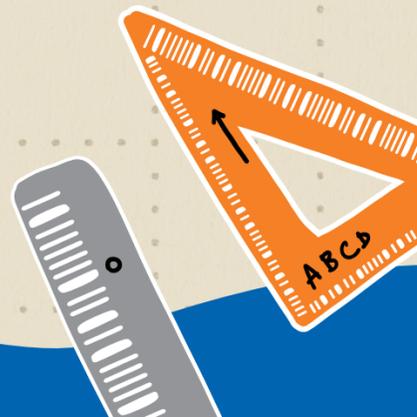

Math → Engineer

Art → Musician

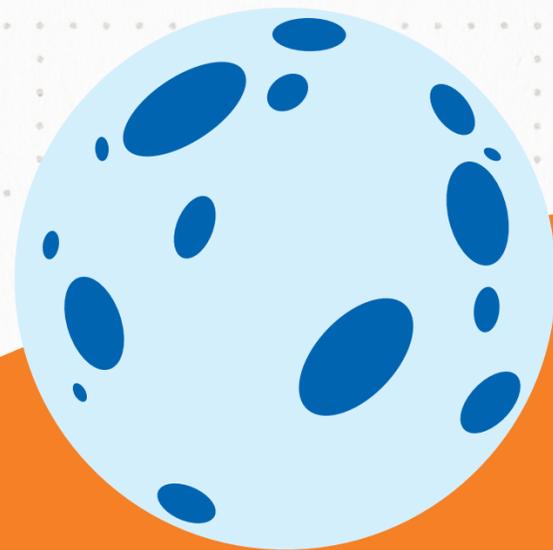

Social Studies → Lawyer

# How did the sun get 9,941°?

IT WENT TO COLLEGE!!

**Superstar Graduate**

# You are a **superstar** in the making!

We hope you'll choose UTA to help you  
get a degree one day.

# THE SKY IS THE LIMIT

AT THE UNIVERSITY OF TEXAS AT ARLINGTON
