

Core Residency Packet

Students requesting reclassification are required to fill out the attached Core Residency Questionnaire and submit it along with any requested documentation prior to the official census date for the semester the reclassification is requested. Please note: Residency cannot be made retroactive. Reclassification changes will apply to the first succeeding semester in which the person is enrolled, if **all** required documentation is submitted on or after census date of that semester.

Individuals can establish Texas residency in two main ways, one based on graduation from a Texas high school and the other based on establishing domicile. The option relating to establishing domicile is available to U.S. citizens, permanent residents, and international students who hold a certain type of visa. **F-1 students are not eligible to domicile.**

Residency through high school graduation requirements:

- Graduate from a Texas high school or receive a GED in Texas; and
- Live in Texas for the 36 months immediately before high school graduation; and
- Live in Texas for the 12 months immediately before the census date of the semester in which you enroll at the University.

Residency by establishing domicile requirements:

- Live in Texas for 12 consecutive months; and
- Establish and maintain domicile for 12 consecutive months, as evidenced by:
 - Gainful employment in Texas (employment conditioned on student status does not qualify);
 - Sole or joint marital ownership of residential real property in Texas by the person seeking to enroll or the dependent's parent, having established and maintained a domicile at the residence;
 - Ownership and operation of a business in Texas; or
 - Marriage for one year to a person who has established domicile in Texas.

NOTE: At least one of the four documents listed on **Part A** are required, **Part B** and **Part C** are additional supporting documents that can be submitted.
