FAFSA Update at UTA

UTA FAFSA Priority Deadline: April 1, 2024

The Department of Education continues to make changes to the new FAFSA process and update universities accordingly. **Due to the changes in the FAFSA this year, UTA has changed their Financial Aid Priority Deadline to April 1 for this year only.** Based on the latest information from the DOE, Institutional Student Information Records (ISIRs) are currently scheduled to be distributed to all universities in mid-March. At this time, students will also be able to make corrections and updates to their FAFSA and universities will be able to make corrections in the weeks following. Once UTA receives this information from the DOE and has fully tested our student information system, they will begin packaging financial aid and sending award letters to students who have included UTA on their FAFSA by mid-April.

New Maverick Orientation

Registration for Summer 2024 & Fall 2024 is Open!

All new students at UTA are required to attend orientation so it is important to let your admitted students know about signing up for New Maverick Orientation. Once a student is admitted to UTA, they will receive an invitation to register for orientation. After selecting a date to attend orientation, all students will also need to complete their pre-orientation module prior to meeting with their academic advisor so they are fully prepared for their advising appointment.
