

The Dallas/Fort Worth (D/FW) area has one of **the world's most vibrant economies**. Population growth is substantial as both Fortune 500 companies and families seek to locate in the area because of **good jobs, weather, education systems, low taxes, and an independent spirit**. UTA's solid partnership within the region provides for opportunities with both **internships and post-graduation employment**. Our students have found positions in companies such as Lockheed Martin, Bell Helicopter, Exxon Mobil, AT&T, and Fidelity Investments to name a few.

I chose UTA because the course curriculum among the universities I was admitted to was the best. The fees, location, climate, and resources the university has to offer, make UTA stand out.

Harsh Jashvantbhai Patel  
MS in Industrial Engineering student

UTA's location gives many different options for resources, local markets, and domestic stores that help students to manage their daily lives."

Abhishek Kale  
MS in Management Information Systems student

### On-Campus Job Opportunities

UTA students may apply for numerous campus positions. Positions can be in offices, departments, housing and dining facilities, the library or recreational spaces. Students can search for research or teaching opportunities where they work with professors. International students can work up to 19 hours a week.

### Career Services

The Lockheed Martin Career Development Center on campus assists students with résumé development, interview skills, and connects them with employers. Employers are within the Dallas/Fort Worth Metroplex, the state of Texas and beyond. Graduates receive placement offers before and after graduation. **Our graduates get great jobs; for example, first-year median earnings for graduates with an MS degree in engineering make \$72,824 and the fifth-year median earnings are \$96,604.**

Certain F-1 students who hold degrees in Science, Technology, Engineering, and Mathematics (STEM) may be eligible to apply for an additional 24 months of Optional Practical Training (OPT), for a total of 36 months of post-completion OPT. Only students who have completed degrees in a STEM designated field qualify for this extension. You can locate your field of study as listed on your Form I-20.

### Student Groups and Organizations

The university offers more than 300 student organizations and clubs. There are organizations based on interest, academic, cultural, sports, music, community service and more. Students find a community of like-minded individuals by their involvement in clubs and organizations. Involved students are successful students.

### The Office of International Education

The International Student Organization hosts the one-week International Week in April. The entire UTA community is involved in the cultural and intellectual diversity of the campus [www.uta.edu/oie](http://www.uta.edu/oie)

### International Week (I-Week)

Organized by the International Student Organization (ISO), is a cultural festival involving the entire UTA community, which takes place for one week every April and showcases our 3000-plus international students. Approximately 20 different student-led nationality organizations participate in the week-long celebration.

## Climate

The climate is wonderful with sunshine dominant in Arlington and 232 days per year are sunny. The weather is generally moderate through fall, winter and spring with hot summers. Snow is only occasional and there can be some very cold days in winter, though usually for short periods of time.

## Local Transportation

UTA's parking and transportation services provide a free campus shuttle bus system for students, faculty, staff, and guests. Uber, Lyft, and Via Rideshare are also available for a fee.

## International Airport

Hindu Temple of Greater Fort Worth (25 miles)

Campus is located about 20 minutes from the Dallas/Fort Worth International Airport. The airport is a major hub with connections to hundreds of flights daily to domestic and international destinations.

## Super Markets/Grocery Stores

As a diverse community both on campus and in the city, the grocery stores are well stocked with foods and supplies you need to prepare meals from home. Vegetarian, vegan, halal, kosher and other specialty products are available.

## Restaurants

There are hundreds of restaurants in the City of Arlington and the surrounding communities. We know you cherish a variety of cuisines, and we have them all! Here are just a few both on campus and nearby campus:

*On campus (uta.edu/housing/dining):* Bombay Chopstix; Einstein

Bros Bagels, Starbucks, Subway, The Sushi Company, Za'tar,

*1-4 miles from campus:* Beirut Rock Café, Desi Kitchen, Halal Grill, India Grill, Kowloon Chinese and Seafood, Mimi's Café, Panda House, Star India, Subway Sandwiches, Tandoor, Thai Basil Leaf, The Grease Monkey, Wingstop

*5-20 miles from campus:* Bombay Chowpaty, Bombay Sizzlers, Malai Kitchen, Pandiyas, Secret Recipe

## Places to Worship

Whatever your place of worship is, you can attend a spiritual assembly at one of the surrounding temples, mosques, or churches. There are many within 20 miles from campus and some offer shared rides through active social media groups.

Arlington Central Mosque

BAPS Shri Swaminarayan Mandir

Wat Buddhamahamunee of Arlington

D/FW Hindu Temple

Shirdi Sai Center of Texas

Shree Swaminarayan Mandir-Vadtal Sansthan

Dar Elsalam Islamic Center
