

# CORONAVIRUS PREVENTION

What you can do to prevent the spread of the virus

For UTA resources and information, please visit [uta.edu/coronavirus](https://uta.edu/coronavirus)

## When in this space...

### Clean Your Surroundings

Disinfect frequently touched objects and surfaces such as phones, desks, tables, keyboards, remote controls, doorknobs, etc.

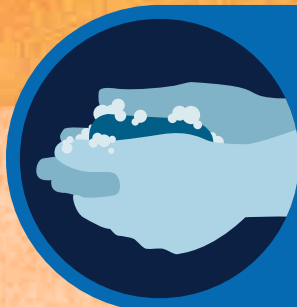

### Practice Social Distancing

Stay 6 feet away from other people to help prevent the virus from spreading.

### Wear Face Covering

The CDC advises that everyone wear simple cloth face coverings to slow the spread of the virus.

### Wash Your Hands Frequently

- Always wash your hands after using the restroom or touching widely used public surfaces.
- Avoid touching your face with your hands.
