What is the CT6 (Internal CircuiTree) website? (https://app.circuitree.com/UTA)

1. The CT6 website (Internal CircuiTree site) is for UTA Employee Program Directors or Coordinators to access different functions of CircuiTree, like registrations, accounting reports, check in/out, balances due etc. Whenever you need to run a report, you would do that through the link above. Login by using your user name and password given to you by the Youth Program Coordinator.
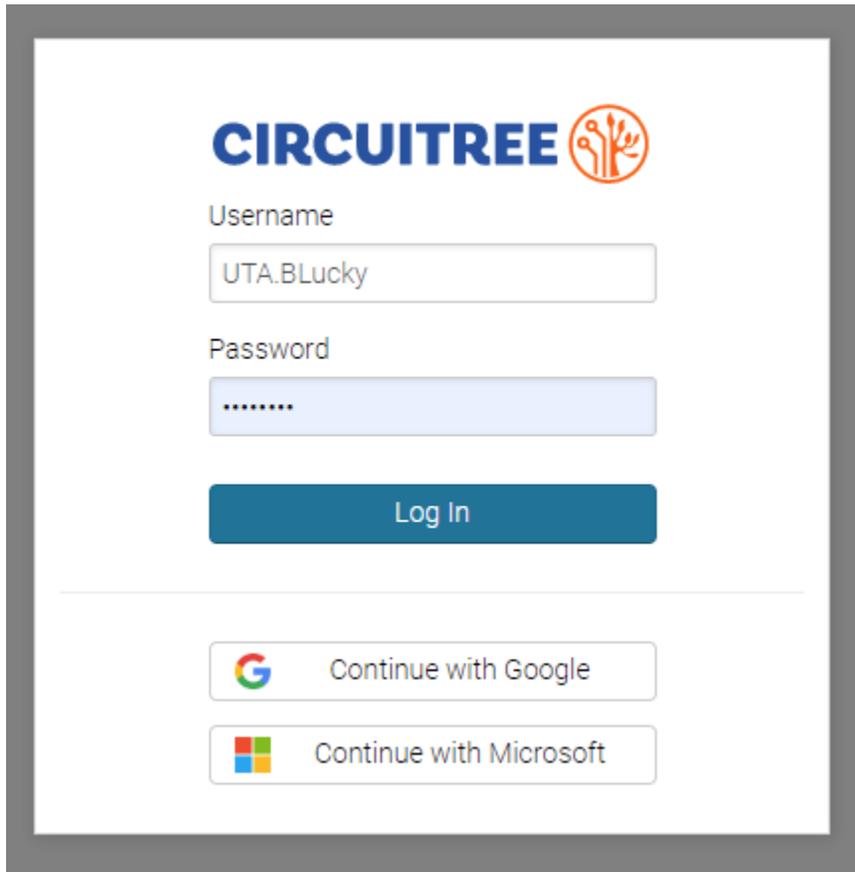

2. When logging in for the first time, make sure to change your password. If you are not automatically prompted, you can do this by clicking on the drop-down button in the upper right corner where your name appears.
