

## Innovation and Talent

- Shimadzu Institute for Research Technologies
- Health Informatics
- CoNHI Smart Hospital
- Capstone Programs
- Undergraduate and Graduate Research
- Collaborative Research
- Nanoelectronics
- Experiential Learning
- Data Science
- Artificial Intelligence
- Higher Ed/K-12 Leadership Preparation Programs
- Summer Research Programs
- Design Build Lab
- Transportation Planning
- Professional Development on Entrepreneurship & Innovation
- Industry Certifications
- FabLab, Studios, Gaming Spaces
- Digital Fabrication
- Robotics
- Start Ups
- Industry sponsorships
- Aerodynamics Research Center /Hypersonics
- Resource Energy Engineering

## Innovation and Place

- UTA Research Institute
- High Energy Physics/Accelerator
- Center for Rural Health and Nursing
- Digital Fabrication Lab
- Design Studios
- Business Analytics Symposium

## Innovation

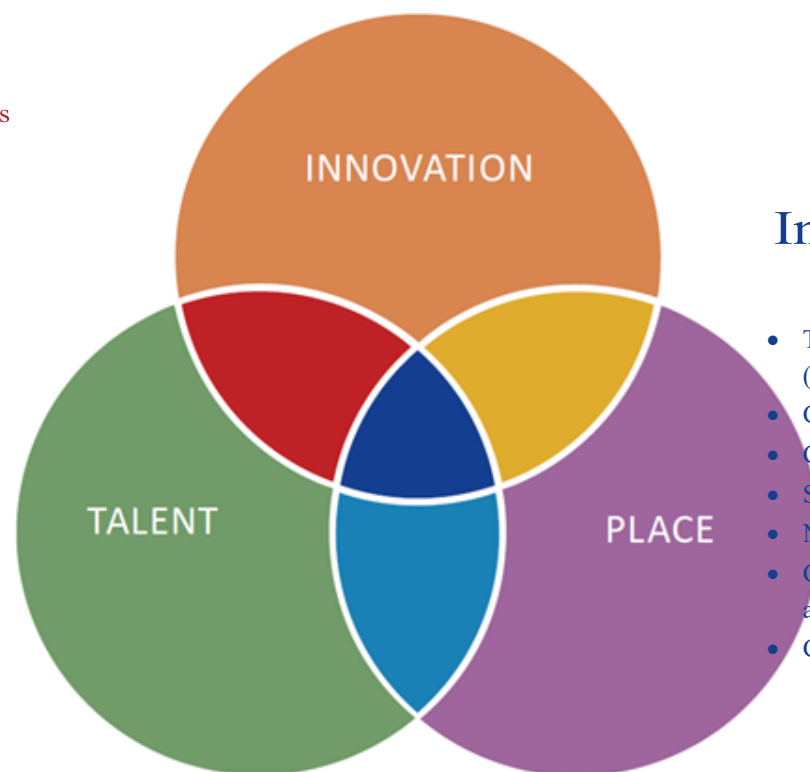

- North Texas Genome Center
- Basic Research
- Applied Research
- Maker Spaces
- Industry Sponsored Programs
- Nanofab Lab
- Energy/Renewable Energy
- National Academy of Inventors (UTA Chapter)
- Proof of Concept
- Centers of Excellence
- Packaging Design
- State Farm Technology Lab
- Research Centers

## Innovation, Talent, and Place

- Texas Manufacturing, Assistance Center (TMAC)
- Community Design Build Lab
- CoLA's Festival of Ideas
- Sam Mahrouq Financial Markets Lab
- North Texas Genome Center
- Center for Environmental Forensics & Material Science
- Center for Nanostructured Materials

## Innovation, Talent, and Place

- Center for Entrepreneurship and Economic Innovation (CEEI)
- Institute for Urban Studies
- COE – Senior Design Projects (Industry sponsored)
- Institute for Sustainability and Global Impact
- Nanotechnology Systems/Nanofab
- Center for Advanced Analytical/Chemistry
- Center for Bio-Molecular Imaging

## Talent

- World Class Faculty
- #1 Producer of Human Capital in North Central Texas
- National Academy Members in Medicine, Engineering, Science, and Inventors
- Degree Programs (180)
- Certificate and Professional Development Programs
- Internships
- Goolsby Leadership Academy (Business)
- Diversity Studies (Business)
- Online Academic Programs and Certifications
- Workshops, Certificates, Professional Development
- Data Driven Research
- Career Center
- Experiential Learning
- Service Learning

## Place

- Cross Timbers (Procurement Technical Assistance Center)
- David Dillon Center for Texas Architecture (CAPP)
- Center for Addiction and Recovery Studies (SSW – CARS)
- UTA Athletics
- UTA Performing Arts
- Maverick Speaker Series
- Annual Conferences, Seminars, and Symposia
- UTA Annual Glass Art Sale
- Virginia Garrett Lectures (Library)
- Maker Spaces
- Community Garden

## Talent and Place

- UTA FW Graduate Programs
- DED Programs – OSHA Education Center
- North Texas Resource Center of Excellence (Sustainability)
- Design Center (CAPP)
- Design Build Institute (CAPP)
- Center for Innovation and Digital Transformation (Business)
- Executive MBA Program - China
- Professional development
- Disability, Equity, Inclusion, Accessibility
- Service Learning
- Special collections
- Exec. Certification
- Center for Innovation and Digital Trans
- Corporate Sponsorships
- University Crossroads

**\*\*When an institution has active and effective programs in all three realms and in their intersections—the institution is achieving high-impact economic engagement.**
