***** RETAIN THIS INFORMATION FOR YOUR RECORDS *****

The University of Texas at Arlington ("UTA") agrees to provide housing accommodations to the Lessee subject to the Apartment Lease Agreement for Private or Shared Bedroom entered into between UTA and Lessee, which includes these Terms and Conditions for Apartment Lease Agreement for Private or Shared Bedroom (Terms and Conditions). Lessee acknowledges that these Terms and Conditions are a part of the Apartment Lease Agreement for Private or Shared Bedroom and agrees to be bound by these Terms and Conditions.

OFFER OF LEASE, ELIGIBILITY AND OCCUPANTS

- 1. LESSEE:** For the purpose of this Lease, "Lessee" shall be the individual enrolled for classes at UTA who signs this Lease of the Premises.
- 2. OFFER OF LEASE:** This Lease is offered subject to the condition that the Lessee is accepted, or will be accepted, for admission to UTA during the Term. The offering of this Lease does not guarantee or indicate that the Lessee has been admitted to UTA. Acceptance of Lessee as a student at UTA is granted and acknowledged only through the UTA Office of Admissions.
- 3. ELIGIBILITY:** Only full-time or part-time students at UTA are eligible to lease UTA housing. During the Term of this Lease, UTA may terminate this Lease if Lessee does not maintain enrollment at UTA for a minimum of 6 credit hours per semester; provided, however, that Lessee need not be enrolled for summer semesters if enrolled in the fall and spring semesters at UTA. Any exceptions to the foregoing requirements must be approved in writing by the UTA Assistant Director of Auxiliary Services. Persons subject to registration under Chapter 62, Sex Offender Registration Program, of the Texas Code of Criminal Procedure are not allowed to live in the Premises or other UTA housing (such as UTA residence halls, apartments, and houses). Lessee understands that any Lessee who becomes subject to registration under Chapter 62 is required to immediately notify UTA Housing and the UTAPD. In the event of a violation of this Section, UTA may cancel the Lease without advance notice and immediately terminate Lessee's right of occupancy. In such case, Lessee will be responsible for the applicable Contract Cancellation fee as outlined in these Terms and Conditions.
- 4. RENT:** Pending approval from The University of Texas System, Rent is the amount Lessee and/or Guarantor will pay University for a license to use a private or shared bedroom in a UTA-owned apartment community for the Term of Lease. Lessees will be informed of any change to the Rent once the final rate is approved. The Rent amount is located on the Apartment Lease Agreement.
- 5. OCCUPANTS:** No individual other than Lessee and Lessee's spouse, child or other person approved in writing by UTA in its sole discretion ("Permitted Occupant") may occupy the Premises. The right of a Permitted Occupant to occupy the Premises are governed by the terms of this Agreement and shall expire or terminate at the same time as Lessee's rights expire or terminate hereunder. UTA may assign an additional lessee(s) to any bedroom in the Premises not rented by Lessee unless Lessee agrees to pay, as part of Lessee's Rent, the total Rent due for such unoccupied Premises.
- 6. OCCUPANCY LIMITS:** Lessee agrees there will be no more than two persons living in a one-bedroom apartment and no more than four persons living in a two-bedroom apartment or in a four-bedroom apartment. If such occupancy limits are exceeded, UTA may (i) charge Lessee an Occupancy Violation Fee for each such occurrence; (ii) for repeat violations, declare Lessee in breach of this Lease; and (iii) impose additional UTA disciplinary actions under the Rules and Regulations (as defined below).
- 7. HOUSING ASSIGNMENT AND CHANGE OF HOUSING ASSIGNMENT:** It is the policy of UTA to assign roommates without regard to veteran status, race, religion, age, sexual preference, disabilities, or national origin. Generally, Lessee may request to live with a designated student based on a self-selection process. In this instance, Lessee preference profiles may be considered by Lessee but will not be considered by UTA. If Lessee does not self-select Premises, UTA will assign Premises to the Lessee. Alternatively, UTA may try to match roommates based on Lessee preference profiles. In any case, UTA cannot guarantee requested preferences in the housing room assignment process. UTA may assign or reassign Lessee without regard to requested preferences to a specific roommate. If UTA assigns Lessee to Premises in an apartment, the exact Premises shall be at UTA's sole discretion. If Lessee has leased a private bedroom accommodation, UTA may not assign another lessee to Lessee's bedroom. If Lessee has leased a shared bedroom accommodation, UTA may assign another lessee to Lessee's bedroom in the Premises. UTA may assign other lessees to bedrooms in the Premises not leased by Lessee as space allows. UTA may require Lessee in a shared bedroom accommodation to move to another shared bedroom accommodation. Failure to move may result in Lessee being charged a private bedroom accommodation rate and improper check out fee in addition to disciplinary actions. UTA reserves the right to change Lessee's Premises to different Premises for any reason at any time, but at no additional contractual cost to Lessee. If Lessee executes multiple contracts for housing accommodations in UTA housing for an overlapping academic term, UTA may terminate the earliest executed contract(s). In such an instance UTA will email contract termination notice to Lessee.

DEPOSITS AND PAYMENTS

8. **DEPOSIT:** Lessee must deliver to UTA a \$150 deposit on or before the Contract Signature Date unless Lessee has an existing \$150 deposit on record with UTA. The Deposit is to (i) reserve a housing accommodation for Lessee's use, and (ii) serve as a security deposit for payment of any damages to the Premises or other charges owing by Lessee to UTA under the Lease. The deposit is refundable after Lessee's stay with UTA Housing is complete on the condition that Lessee has no additional future housing contract with UTA. UTA is not obligated to return the Deposit or give a written description of charges against the Deposit unless and until the Lessee (i) gives UTA a written forwarding address for the purpose of refunding the Deposit; and (ii) complies with the move-out requirements set forth in this Lease. After Lessee vacates the Premises, the Deposit (less any permitted charges) will be refunded to Lessee in accordance with then applicable law provided Lessee does not have a future housing contract with UTA. Failure to comply with notice requirements as outlined in this lease will be just cause for forfeiture of security deposit.
9. **PAYMENTS:** Lessee agrees to pay each monthly installment of Rent to the UTA Office of Student Accounts in University Administration Building on the UTA Campus, in advance and without notice, demand or grace period, on or before the first day of each calendar month ("Due Date") during the Term. Payments may be mailed, made electronically through the MyMav system, or delivered in person to the UTA Office of Student Accounts. Lessee assumes the risk of timely delivery of payment by any method other than hand delivery. Rent payable for any partial calendar month shall be computed on a daily basis at 1/30th of the full monthly Rent rate, regardless of the actual number of days in the month.
10. **DEFAULT IN PAYMENT:** Lessee's failure to timely pay any installment of Rent on or before the applicable Due Date is a breach of this Lease. Lessee's right to possess and use the Premises and UTA's obligations to perform its duties hereunder are expressly conditioned upon Lessee's timely payment of Rent. Lessee agrees to pay a late fee of \$25 for Rent payments not timely made to UTA. Such fee is in addition to, and not in lieu of, the other remedies of UTA hereunder for such breach of the Lease.

MOVE IN, ACCEPTANCE OF PREMISES, DELAY OF OCCUPANCY AND KEYS

11. **MOVE IN: For lease commencement between August 18 and August 25,** Lessee may take possession of the Premises after obtaining the keys on the Lease Commencement Date. Lessee must obtain the keys to the Premises after completing all necessary paperwork in the Housing Office or designated Apartment Community Move in location between the hours of 9:00am and 4:00 pm on the Lease Commencement Date. Student may be required to schedule a move-in appointment in advance to limit the number of students moving into the apartment community at the same time. In addition, move-in activity may be expanded to a multi-day period at the discretion of the University. **For all other move in dates,** Lessee may not take possession of the Premises until after 5:00pm on the Lease Commencement Date. Occupancy prior to such time is not permitted. If Lessee takes possession of Premises before specified move in time Lessee will be fined \$50. Prior to move in, Lessee must arrange and pay for any desired utilities that are not provided for by UTA in accordance with the provisions of this Lease.
12. **PREMISES ACCEPTANCE:** Lessee's occupancy of the Premises shall constitute Lessee's acceptance of the Premises in an "AS IS" condition, without requiring any repairs, additional improvements, or alterations, except as may be required by applicable law. Lessee must complete the Inventory and Condition Form upon Lessee's move into the Premises. Lessee must notify the Resident Director within 72 hours of move in to note any pre-existing defects or damages to the Premises not noted on the completed Inventory and Condition Form. Lessee acknowledges that (i) any defects or damages not shown on the Inventory and Condition Form shall be deemed attributable to Lessee; and (ii) except as so noted, the Premises will be deemed to be in clean, safe, and good working condition. If Lessee fails to return the completed Inventory and Condition Form within 72 hours of move in, Lessee acknowledges that the Premises will be deemed to be in clean, safe, and good working condition at the time of move in.
13. **ADA ACCOMMODATIONS:** A Lessee without disabilities may be assigned to Premises that have been specifically designed to accommodate persons with disabilities. In the event UTA needs such Premises to accommodate a person with a disability, UTA may upon not less than thirty (30) days prior written notice require that Lessee (and any Permitted Occupant) relocate to alternate UTA housing. In such instance, UTA shall (i) pay reasonable moving expenses to relocate Lessee to alternate UTA accommodations; and (ii) allot to Lessee a \$300 rent credit, as compensation in full for any inconvenience to Lessee resulting from such relocation.
14. **DELAY OF OCCUPANCY:** If the Premises will not be ready for occupancy by Lessee on the Lease Commencement Date, UTA shall give notice thereof to Lessee and indicate the anticipated date possession of the Premises will be delivered to Lessee. In such case, Lessee shall have the right to terminate the Lease upon written notice to UTA within 7 days after delivery of such notice, but not thereafter. If UTA fails to give notice of delay as set forth above and the Premises are not ready for occupancy by Lessee on the Lease Commencement Date, Lessee may terminate this Lease upon written notice to UTA given prior to the date Lessee is notified the Premises are ready for occupancy, but not thereafter. If, in either case, Lessee does not terminate this Lease, (i) the date the Premises are ready for Lessee's occupancy shall be deemed the new Lease Commencement Date for all purposes; and (ii) UTA shall not be liable to Lessee for any damages arising from the delay in delivery of the Premises to Lessee, provided that Rent shall be abated as to any period prior to delivery of the Premises to Lessee. If Lessee elects to terminate this Lease, Lessee's sole remedies in such event shall be to obtain a refund of the Deposit and any pre-paid Rent previously delivered to UTA. Notwithstanding any other provision of this section to the contrary, the rights of Lessee under this section shall not be applicable to any cleaning or repair of the Premises that do not materially interfere with Lessee's occupancy of the Premises on the Lease Commencement Date.
15. **LOCKS AND KEYS:** UTA shall install, change, or re-key a security device on any exterior door or window of the Premises after receiving a **written request** from the Lessee, in accordance with applicable law. Installation or change of security devices or re-keying of the Premises will be conducted pursuant to the Texas Property Code. **UTA may charge Lessee a fee for labor,**

materials, overhead, and extra keys in accordance with applicable state law. Once installed, a security device becomes a fixture of the Premises and may not be removed without the written permission of UTA.

- 16. LOST KEYS:** Lessee shall promptly report to the UTA Housing Office any lost or stolen keys to the Premises or the Premises' mailbox. The lock to the Premises will be changed and new keys will be issued to the Lessee. **UTA may charge Lessee a fee for labor, materials, overhead, and extra keys, in accordance with applicable state law.**

RULES AND REGULATIONS GOVERNING USE OF PREMISES

- 17. RULES AND REGULATIONS:** Lessee agrees to comply with all rules, regulations and requirements set forth in UTA's University General Information Catalog; the UTA Housing Handbook for The Heights on Pecan, Timber Brook and The Lofts Apartments; The Board of Regents of The University of Texas System Rules; the System-wide Policies of The University of Texas System; all rules and regulations issued by UTA that govern the conduct of students; and any other city, state, and federal laws applicable to this Lease and the Premises, including but not limited to those prohibiting gambling and the use or possession of alcoholic beverages, narcotics and controlled substances, and as all of the foregoing may be amended from time to time. The foregoing policies, rules, regulations, and laws are hereafter collectively called the "Rules and Regulations." The Rules and Regulations, as amended from time to time during the Lease Term, are incorporated herein by reference for all purposes. Lessee acknowledges having had the opportunity to review the Rules and Regulations prior to signing this Lease. Any amendments to the Rules and Regulations will be effective when posted on the applicable website.

Lessee acknowledges and agrees that Rent and/or Fees are subject to change by legislative action or otherwise, as are University Regulations and University Housing Policies affecting this Lease. Changes and additions to Rules and Regulations, Rent and Policies affecting this Lease become effective and binding on the first date of posting or official announcement, and the announcement or posting constitutes actual notice.

- 18. GENERAL RULES OF OPERATION:** Any violation of the terms of this Lease or the Rules and Regulations by Lessee or a Permitted Occupant is a breach of this Lease and may additionally subject the responsible party to disciplinary action by UTA. Any act by Lessee that is disruptive to the use and enjoyment of UTA housing by other residents is a breach of this Lease. Alteration of this Lease by Lessee with the unilateral intent to change its terms, conditions, or purposes is a breach of this Lease.
- 19. USE OF PREMISES:** The Premises shall be used solely for residential purposes, and no person may conduct a business or any other business-related activity in the Premises, including online business operations.
- 20. SOLICITATION:** No solicitation or door-to-door sales of goods and services are allowed in the Premises or UTA housing. Occasional sales or offers of sales of goods or services that otherwise comply with state law and municipal ordinances and that are conducted in the privacy of the Premises when Lessee has given specific invitation in advance for salespersons to come to the Premises for that purpose are not considered to be solicitation. No sales or offers of sales of goods or services, including online sales or offers, within the Premises or UTA housing by Lessee on a continuing or scheduled basis is permitted.
- 21. CONDUCT:** Lessee agrees that the Premises shall at all times be used and occupied in such manner as will not disturb, interfere with, or affect the comfort peace, and Quiet enjoyment of other residents on the property or interfere with the responsible management of the property by UTA. Conduct prohibited by the Rules and Regulations may subject the Lessee to disciplinary action including suspension and termination of this Lease. Lessee agrees that personal property possessed by Lessee in University Housing in violation of law and/or University housing policies may be seized and disposed of by University at University's sole option and discretion in accordance with its policies on disposal of surplus property or other applicable policies.
- 22. SMOKING:** The University of Texas at Arlington is a Tobacco Free Campus. In effect as of September 1, 2019, Texas law makes it illegal for anyone under 21 to use or possess tobacco and nicotine products—with the exception of military members. The law raises the age from 18 and makes it a class C misdemeanor to possess, purchase, consume or receive cigarettes, e-cigarettes, or tobacco products. UTA is a tobacco-free campus—and has been since 2011. The use of all tobacco products—including cigarettes, cigars, pipes, smokeless tobacco, electronic cigarettes, vaping devices, and other tobacco products—is prohibited everywhere on campus. The ban encompasses all outside property and grounds on UTA and its affiliated campuses. More information and resources on how to quit smoking can be found on the UTA Tobacco Free website: www.uta.edu/tobaccofree. Thus, smoking is not permitted inside UTA Apartments or on campus. Violation of the smoking policy will result in a fine of \$50 for each violation, and the repeated violation of the smoking policy by Student /or Student's guest(s) is a breach of this Contract.
- 23. WEAPONS:** Weapons prohibited in UTA housing include firearms (including handguns, rifles, machine guns, short-barreled rifles or shotguns, etc.) fireworks, toy look-alike guns, paintball guns, pellet or BB guns, and decorative firearms (working or non-working) clubs, location restricted knives, explosive weapons, firearm silencers, armor-piercing ammunition, chemical dispensing devices (other than a small chemical dispenser sold commercially for personal protection), zip guns, tire deflation devices or improvised explosive devices.

Notwithstanding the above, individuals licensed by the State of Texas to carry a concealed handgun may be in possession of a handgun in UTA housing in accordance with State law and UTA policy. A licensed holder in UTA housing must have their handgun(s) on or about their person or safely secured or stored to prevent tampering or theft. The handgun must be stored in a combination or electronic locking steel safe when the handgun is not on or about their person. The safe must be securely attached to a bed frame or other furniture with a steel tethering cable, to minimize the possibility of theft. For more information regarding Campus Carry,

Lessee shall not remove any UTA property from the Premises. Lessee shall be liable to UTA for damage to the Premises or other portions of the building caused by the Lessee, or their invitees. The sidewalks, steps, entrance halls, walkways, and stairs of the building containing the Premises shall not be obstructed or used for other than ingress and egress.
- 25. PEST CONTROL:** UTA, at its expense, shall provide reasonable pest control services for the Premises. Lessee shall be responsible for cooperating with pest control services. Lessee agrees that Lessee has inspected the Premises prior to move in and is not aware of any signs of bed bugs or any other pest infestation or will inspect the Premises within 72 hours after move-in and notify UTA immediately of any bed bugs or any other pest infestation. Lessee is required to disclose information about any exposure to bed bugs or any other pests in previous dwellings. Lessee agrees that (1) Lessee has not previously experienced or been subjected to bed bugs or any other pests in other dwellings and is not aware of bed bugs or any other pest in any furniture, clothing, or personal property, or (2) Lessee has previously been exposed to bed bugs or any other pests, but all of Lessee's personal property has been treated by a licensed pest control professional and is free from further infestation. Lessee is required to fully cooperate with UTA and the pest control services to access the Premises at reasonable times to inspect or treat bed bugs or any other pest if found in the Premises. Lessee must have all furniture and personal property treated by a licensed pest control professional, approved by UTA, at his or her own expense unless agreed to otherwise in writing. Failure to do so is a lease violation and UTA may terminate this Lease and right of occupancy and exercise all rights and remedies under the Lease. Lessee must promptly notify UTA: of any known or suspected bed bugs or any other pest infestation in the Premises or personal property; of any recurring or unexplained bites or skin irritations that may be caused by bed bugs or any other pest in the Premises; and of any discovery that might indicate the presence of bed bugs or any other pest. Lessee agrees that personal property that cannot be treated or cleaned must be destroyed and disposed of off-site. UTA has the right to have Lessee temporarily vacate the Premises and remove personal possessions for UTA to perform pest control treatments. Failure to comply is a lease violation and UTA may terminate this Lease and right of occupancy and exercise all rights and remedies under the Lease. UTA has the right to require Lessee to pay for all reasonable costs of cleaning and pest control treatment incurred by UTA for treating for bed bugs or any other pest. Likewise, if bed bugs or any other pests are confirmed in the Premises after Lessee vacates, Lessee may be asked to pay for cleaning and treatment costs. Lessee may also be held responsible for lost rental income and other expenses incurred by UTA to move or relocate residents in adjacent dwellings to perform pest control treatments in other premises. If Lessee fails to pay for any of these costs, Lessee shall be in default, and UTA may terminate the Lessee's right of occupancy and exercise all rights and remedies under the Lease. If UTA allows the Lessee to transfer to another UTA housing property, the Lessee must have all personal property treated by a licensed pest control professional according to accepted methods. In this instance, Lessee must provide documentation of the cleaning and treatment that is satisfactory to UTA.
- 26. DUTY TO REPAIR:** Lessee shall promptly notify UTA's designated representative of the following conditions: malfunction of utilities or equipment, fire damage, water leaks, mold, electrical problems, broken or missing locks or latches, and any condition which poses a material hazard to the Premises or the health or safety of persons. The Lessee is required to give **written notice** in accordance with the Notice requirements of this Lease specifying such conditions as a prerequisite to any rights and remedies under law. Lessee shall be responsible to pay for damages resulting from failure to promptly report any such conditions. The duty of UTA to remedy or repair conditions affecting the physical health or safety of an ordinary tenant is governed by Texas Property Code Section 92.052 *et. seq.* UTA may turn off equipment and interrupt utilities as needed to avoid property damage or perform repair and maintenance work to the Premises. SPECIAL CIRCUMSTANCES IN THE EVENT OF A PUBLIC HEALTH CRISIS

66. Public health crises may impact the University community and campus experience in unprecedented ways. UTA and impacted individuals have a joint responsibility to minimize risk and the potential spread of communicable disease within the campus community. In the event of a public health crisis, residents of UTA Housing should anticipate changes to the UTA housing and dining experience as UTA adheres to potentially evolving state and local executive orders. The below policies and guidelines are applicable to all residents in UTA Housing in the event of a public health crisis but are otherwise not required.
67. **Health and Safety.** UTA expects that all members of the UTA Housing community - residents, staff, and visitors— will act in a manner that demonstrates respect and consideration for those around them, including respect and consideration for the health and safety of all community members. All residential students are prohibited from creating a health or safety hazard within UTA Housing, and UTA may request or require a resident or visitor to leave UTA Housing if their continued presence in the housing community poses a health or safety risk for community members. Adherence to health and safety requirements applies to all residents, staff, and visitors within UTA apartments. Residential students are required to comply with health and safety laws, orders, ordinances, regulations and health and safety guidance adopted by UTA as it relates to public health crises. Guidance is expected to evolve as a public health crisis evolves and may include, but is not limited to, social distancing, limitations on mass gatherings, wearing a face covering, diagnostic and surveillance testing, contact tracing, disinfection protocols, limitations on guests in apartments, and quarantine and isolation requirements.
68. **Changes to Resident Requirements.** In the event of a public health crisis, residents should anticipate the following changes to resident requirements.
- Social Distancing:** Depending on the property, UTA Housing offers private-bedroom accommodations with one student per bedroom or shared-bedroom accommodations with a maximum of two (2) students per bedroom. In this instance, roommates and suitemates are considered a “family unit” and exempt from social distancing rules within the assigned apartment unit. However, students are expected to uphold social distancing guidelines in all common areas outside of their apartment unit.
 - Face Coverings and Masks:** Face coverings or masks are required outside of the resident’s assigned apartment. This includes all common spaces including hallways, stairwells, elevators, lounges (social and study), kitchens, laundry rooms, mail centers, class/conference rooms, computer labs and other campus facilities.
 - Diagnostic and Surveillance Testing:** Residents may be encouraged to monitor their temperature daily. Residents who become ill or show signs of symptoms of an ongoing public health crisis should contact the Health Center or their personal care physician without delay. UTA Housing may make reasonable efforts to provide thermometers, but residents are encouraged to bring their own.
 - Contact Tracing:** Residents who test positive for an infectious disease or come into close contact with someone who tests positive for an infectious disease are required to complete a [Close Contact or Personal Diagnosis Form](#) and are strongly encouraged to cooperate with public health officials’ quarantine orders and contact tracing efforts.
 - Sanitation Protocols for Resident Rooms:** Residents are responsible for cleaning their assigned residential unit. Residents are encouraged to utilize the cleaning section of the Roommate Agreement form to share the responsibilities.
 - Limited Guests:** Out of respect for the health and welfare of others, inviting guests into apartments will be discouraged and likely limited. UTA will monitor state and local information and data, and revised guest policies may be implemented as a public health crisis progresses.
 - Limited Mass Gatherings:** The University will monitor Centers for Disease Control and Prevention guidelines and Governor’s Executive Orders related to gatherings and campus events. Additional guidance will be made available as soon as possible.
 - Resident Move In:** If resident move-in occurs during a public health crisis, residents may be required to schedule a move-in appointment to limit the number of students moving in at the same time. In addition, move-in activity may be expanded to a multi-day period.
69. **Changes to Facility Amenities.** In the event of a public health crisis, residents should anticipate the following changes to facility amenities. Community spaces may or may not be open and face coverings may be required outside of the student’s room or suite. Residents should wipe down surfaces in community spaces before and after use with university-provided cleaning products. Appropriate social distancing may need to be maintained, as well as being mindful of the size of rooms and occupancy limitations.
- Community Kitchens:** A sign-up process may be utilized for residents to reserve a time to use the community kitchens.
 - Community Laundry Rooms:** Use of community laundry rooms may be limited. A sign-up process may be utilized for residents to reserve a time to use the laundry rooms.
 - Computer Labs:** Computer equipment in computer labs may be limited to encourage social distancing. Laptop computers may be available to check out from the Central Library.
 - Lounges:** Furnishings in social and study lounges may be limited to encourage social distancing.
 - Elevators:** Elevator capacity may be limited based on the size of the elevator, so please use the stairs whenever possible. Signs with instructions may be placed in each elevator identifying number of riders and where to stand.
 - Public Drinking Fountains, Water Filling Stations, and Ice Machines:** Services may be closed during the public health crisis.
70. **Quarantine, Isolation, and Separation.** At any time, UTA may request or require a resident to leave UTA Housing when that resident’s continued presence in the housing community poses a health or safety risk for community members. Residential students are required to comply with directives from UTA to leave their assigned space due to any public health crisis or emergency. Failure

to comply is a violation of the Housing Contract and may subject a student to emergency removal from their assigned space. General requirements for self-quarantine or self-isolation include, but are not limited to, the following.

- a. UTA Housing residents should be prepared to self-quarantine or self-isolate off-campus in accordance with the following public health guidelines.

- b. Residents should have an evacuation strategy in place if needed to self-quarantine or self-isolate off-campus due health or safety concerns. Residents are strongly encouraged to list an off-campus location with contact information where the student can evacuate if necessary.
- c. Residents who do not have suitable off-campus accommodations for self-quarantine or self-isolation may be contacted later to explain further the reason why they should be exempt from the requirement above.
- d. Not all UTA Housing residential units are appropriate for self-quarantine or self-isolation. Students will be expected to self-quarantine or self-isolate off campus unless approved for an exception by the UTA Housing Quarantine and Isolation Committee.
- e. UTA Housing residents who do not have suitable off-campus accommodations for quarantine or isolation may be required to self-quarantine or self-isolate in their assigned unit when possible or in alternate university-provided facilities in accordance with UTA directives. If a resident's roommate or a close contact tests positive for an infectious disease, the resident may be required to self-quarantine or self-isolate in their assigned residence when possible or in an alternate location in accordance with UTA directives. Such students will be allowed to re-enter their assigned housing facility once all self-quarantine or self-isolation protocols established by the University have been achieved.
- f. UTA Housing residents will not have to pay additional housing charges to quarantine or isolate in university-provided facilities. University-provided facilities for quarantine or isolation may be owned and operated by UTA or owned and operated by a private company for the benefit of UTA. Space is limited, and residents may need to pay directly for their own off-campus accommodations if university-provided facilities dedicated to quarantine or isolation are unavailable.
- g. Meal service can be provided for those students residing in quarantine or isolation. If the student already has a meal plan, UTA staff will work with the student to have meals delivered utilizing their meal plan. If the student does not have a meal plan or meals are required outside of the designated meal plan period, meal service can be provided on a cost-per-meal basis and charged to the student's account.
- h. UTA Housing residents will not be provided reimbursement for lodging, meals, travel, or miscellaneous expenses related to off-campus quarantine or isolation. In addition, university housing and dining charges will not abate during periods of quarantine or isolation. [Emergency assistance funds](#) may be available to assist with quarantine or isolation expenses.
- i. Removal from UTA Housing to isolate or quarantine does not constitute a termination of a residential student's housing contract.
- j. To encourage timely evacuation, residents should maintain an evacuation "Go Bag" which includes clothing, medication, books, and other essentials required for quarantine or isolation.

71. De-Densifying Efforts. Residential students are required to comply with any de-densifying efforts needed on campus due to any public health crisis or emergency, including, but not limited to, the relocation of all or some residential students to alternate UTA provided housing. Relocation does not constitute a termination of a residential student's housing contract.

72. Dining Services. Dining services, including where and how it will be offered to residential students, is subject to the discretion of UTA and is subject to modification to address public health concerns. Due to health and safety guidance adopted by UTA, Dining Services may limit the occupancy of dining halls, limit the amount of time students may reside within dining halls, or make other operational adjustments needed to address health and safety concerns. In addition, students should anticipate the following changes to Dining Services.

- a. **Meal Plan Contracts:** Meal plan contracts may be reduced to reflect a suspension of Dining Services.
- b. **Food Service:** Dining staff may begin serving food, and self-service food stations may become unavailable. Impacted self-service areas may include salad bars in addition to drink, desert, grill, and pizza stations. Grab and Go dining options may also be available.

- d. **Sanitation of Dining Areas:** Dining staff members may be available throughout the cafes to clean and sanitize tables as they become available, but staffing may be limited. Additionally, sanitizing sprays and wipes may be available throughout the dining areas for patrons to sanitize their own tables.

- e. **Student Requirements:** Students may be expected to uphold social distancing guidelines in all dining areas. Tables and chairs may be positioned to encourage compliance with social distancing and should not be relocated by patrons.
- 73. **Cleaning.** UTA will implement and modify its cleaning protocols to address a public health crisis or emergency in the interest of minimizing the spread of disease. UTA will inform residential students on appropriate cleaning protocols within their assigned spaces to reduce the spread of infectious disease within UTA Housing.
- 74. **Termination of Contract During Emergencies.** UTA reserves the right to terminate housing contracts due to public health crisis or emergency needs. This contract is offered by University Housing with the intent to provide housing regardless of changes to the academic schedule or manner of instruction provided by the University. University Housing does not anticipate closing or issuing a refund as a result of such adjustments. If part or all of university housing is closed due to an emergency or natural disaster, the University may terminate this contract without prior notice. In the event of an unanticipated, temporary campus housing closure, UTA reserves the right, in its sole discretion, to issue a pro-rated credit for the number of days campus housing was closed, but no such credit is guaranteed pursuant to this contract. Temporary campus housing closures do not automatically terminate a student's obligations under their signed University Apartment Lease Agreement. In no event shall the University be obligated to provide alternate housing to the student or to rebuild or replace any affected premises. Please note that if the affected student initially had a scholarship that covered housing, any amount refunded will be credited back to the original form of scholarship.
- 75. **Notifications.** UTA will endeavor to update residents with timely information about important changes to health and safety guidance.
- 76. **Notice of Conflict Provision.** In the event of a conflict between this section, Special Circumstances in the Event of a Public Health Crisis and the previous provisions of these terms and conditions, Special Circumstances in the Event of a Public Health Crisis will control.
