**TERMS AND CONDITIONS**  
for  
**RESIDENCE HALL CONTRACT**

**\*\*\* RETAIN THIS INFORMATION FOR YOUR RECORDS \*\*\***

The University of Texas at Arlington ("University") grants to Student ("Student"), a license to use a furnished room in a University Residence Hall as Student's temporary residence during the "dates outlined in Student's Residence Hall Contract" ("Contract Period") subject to these stated terms and conditions. These terms and conditions are incorporated by this reference in the Residence Hall Contract ("Contract") between the University and Student and Guarantor (if applicable) identified therein. Capitalized words or phrases used in these terms and conditions have the respective meanings assigned to them in the Contract, unless the context clearly states otherwise. "You" means Student and Guarantor, jointly and severally.

**1. Obligations and Agreements of Student and Guarantor**

- A. You agree to pay all charges as due and to comply with and abide by these terms and conditions, the University Graduate or Undergraduate Catalogue, the current Housing Policies contained within the *Residence Hall Handbook*, the *Rules and Regulations* of the Board of Regents of The University of Texas System, the System-wide Policies of The University of Texas System, the University's Handbook of Operating Policies, and all other University rules, policies and regulations, which are now in effect or may in the future come into effect, governing student conduct or pertaining to University residence halls (individually and collectively, "University Regulations").
- B. Pending approval from The University of Texas System, the Contractual Amount is the amount Lessee and/or Guarantor will pay University for a license to use a private or shared room in a UTA-owned residence hall for the University Residence Hall Contract. Students will be informed of any change to the Contractual Amount once the final rate is approved. The Contractual Amount is located on the University Residence Hall Contract. You acknowledge and agree that rates and/or fees are subject to change by legislative action or otherwise, as are University Regulations and University Housing Policies affecting this Contract. Changes and additions to Rules and Regulations, rates and policies affecting this Contract become effective and binding on the first date of posting or official announcement, and the announcement or posting constitutes actual notice.
- C. You agree not to sell, sublease, or assign the Contract.
- D. If you violate any of the terms or conditions of the Contract, or if University determines that Student has repeatedly disregarded the community living standards, University may terminate the Contract or refuse to offer Student a University Housing Contract in the future.
- E. If Student is subject to University disciplinary action, Student may be required to change residence within University Housing or to withdraw from University Housing. Student may also be prohibited from living in other on-campus University Housing. If University requires Student to withdraw from University Housing, the Contract will be automatically cancelled, and a processing fee will be charged as provided in Section 5C. Any Student whose actions pose life-threatening danger to self or others is subject to immediate and permanent removal from University housing without prior written notice.
- F. You agree to advise the UT Arlington Housing Office in writing of any change to your address, identification number or telephone number. Failure to provide this information may result in cancellation of Contract at University's option.
- G. **ALL CONTRACT CANCELLATIONS MUST BE ADDRESSED, IN WRITING, TO THE HOUSING OFFICE VIA EMAIL, FAX OR LETTER.**

**2. Conditions of Contract**

- A. The Contract is offered on the condition that Student is accepted for admission to University. **The Contract does not guarantee that Student has been admitted to University.** Only the Office of Admissions can grant admission to University. Student must be a full-time student at University, registered for a minimum of twelve semester hours (undergraduate) or nine semester hours (graduate) and actively pursuing a degree at University to be eligible to live in University residence halls. Registration for six hours of dissertation credit will satisfy the full-time student requirement. Requests for exceptions must be made in writing and approved by the Assistant Director, Housing. Student must be registered for Fall enrollment at UTA by July 15, 2024 for a contract start date in the Fall semester and registered for Spring enrollment by December 21, 2024 for a contract start date in Spring semester. If Student is not registered for enrollment by the aforementioned dates, the University may, at its option, cancel the Contract. If University cancels the Contract by sending written notice of cancellation for failure to register for enrollment to Student before Contract Start Date, Student will be responsible for 20% of the Housing charges for the Contract Period.
- B. Registered sex offenders are not permitted to live in University-owned housing, which includes the University residence halls, apartments, and houses.

**3. Deposit**

- A. You must deliver to University a \$150 deposit on or before the Contract Return Date unless you have an existing \$150 deposit on record with University. The deposit shall be held by University during the Contract period in a non-interest-bearing account and shall be applied to guarantee occupancy and to cover any charge for damage to the room or residence hall and other applicable charges assessed during the Contract Period. The deposit is refundable after your stay with University Housing is complete, on the condition that you have no additional future housing contract with University. Subject to the forfeiture provisions

set out below, the deposit will be refunded, less applicable charges, within 30 days after the Student vacates the room; provided, however, that University is not obligated to return the deposit until Student gives University a written forwarding address for the purpose of refunding the deposit and provided Student does not have a future housing contract with University. A deposit not received with the signed Contract will result in the room reservation being cancelled.

#### **4. Room Payments**

- A. Room payments will be billed in installments as described in the Contract. You must pay by each installment due date to avoid both a \$25.00 late payment charge and holds placed against registration, grade reports, official transcripts, and refunds. If Student fails to pay on or before the fifth day after the due date, University may terminate the Contract at its option and require that Student vacate the room. In that event, University shall provide Student written notice no less than three (3) days prior to the day Student is directed to vacate the room.
- B. A student, who moves in after the beginning of the semester, will make payment of the first installment on or before move in. Notwithstanding anything to the contrary herein, you expressly agree that any University administered financial aid (scholarships, loans, grants, etc.) may be applied in total by University against amounts owed by you under the Contract.
- C. University will post a statement of charges for Student on University's MyMav system on the internet. Student's failure to receive a statement does not relieve you of the responsibility to pay on or before the due date. All payments due hereunder shall be delivered to Office of Student Accounts or paid online through University's MyMav system on or before the due date.
- D. You covenant and agree to pay all expenses incurred by University in collecting the total amounts due under this Contract, including collection fees, reasonable attorney fees, court costs, and other costs.

#### **5. Cancellation, Refund, and Amounts Owed**

- A. If Student completes the full admission procedures and is not admitted to University, you will receive a full refund of the deposit and any prepaid fees. Once admitted, but before the Contract Start Date, you may cancel the Contract and recover previously paid fees according to the schedule below if written notice is postmarked before the Contract Start Date. **ALL CONTRACT CANCELLATIONS MUST BE ADDRESSED, IN WRITING, TO THE HOUSING OFFICE VIA EMAIL, FAX, OR LETTER.** If you cancel the Contract on or after the Contract Start Date, Student must vacate the room and must complete a Contract Release Notice in the UT Arlington Housing Office. You may receive a refund, if applicable, of pre-paid fees in accordance with the schedule printed below. University shall deduct from any refunds due any charge for damage to Student's room or the Residence Hall and other applicable charges pursuant to the Contract.
- B. If Student signs the Contract prior to the age of eighteen (18) and has failed to obtain the signature of the guardian or parent, the Contract may be canceled. Cancellation penalties and fees shall be assessed in accordance with Section 5C. below.
- C. The following is the schedule of refunds and amounts owed for contract cancellation. Students who terminate their contract early are responsible to pay contract cancellation fees as outlined below. In addition, students who are not enrolled as required, are academically suspended, are required to vacate for conduct reasons, or are judicially evicted will be responsible to pay the full amount of the contract through the date student vacates and any contract cancellation fees in accordance with the Contract Cancellation Schedule below.
- D. A Contract Cancellation must be received in writing for each contract signed.
- E. Student may request an early contract cancellation prior to the Contract Start Date. If contract cancellation is granted by University prior to Contract Start Date, Student shall be released from the Contract but shall pay penalties as described below. Student must submit such official written documentation evidencing the reason for the request for an Academic or Military Exception as may be required by the University Housing Office. If University approves a request for contract cancellation for an Academic or Military Exception, Student may thereafter cancel this Contract upon the following conditions precedent: (i) Student shall give University written notice of contract cancellation not less than sixty (60) days prior to the contract cancellation date; (ii) Student must not be in default of this Contract at either the time of the giving of notice of contract cancellation to University or on the contract cancellation date; and (iii) Student must vacate the room in accordance with Section 9.

Generally, Student may request to live with a designated student based on a self-selection process. In this instance, Student preference profiles may be considered by Student but will not be considered by University. If Student does not self-select a room space, University will assign a space to the Student. Alternatively, University may try to match roommates based on Student preference profiles. In any case, University cannot guarantee requested preferences in the room assignment process. University may assign or reassign Student without regard to requested preferences to a specific hall, room, or roommate.
- B. If Student executes multiple contracts for housing accommodations in University-Owned and managed properties for an overlapping academic term, University may terminate the earliest executed contract(s). In such instance, University will email contract termination notice to Student in accordance with Section 17.
- C. Students without disabilities may reside in Residence Hall rooms which have been specifically designed to accommodate persons with disabilities. In the event a Residence Hall room is needed to accommodate a person with a disability, Student may be required to relocate to alternate University Campus Housing accommodations. In this instance, University shall pay reasonable moving expenses to relocate occupant(s) to alternate accommodations. In this instance, University shall provide no less than three (3) days written notice prior to terminating the existing Contract. In addition, University will also credit \$300 to each relocated student in appreciation of any inconvenience the student may experience.
- D. If permanent space is not available, the UT Arlington Housing Office may place Student in temporary space until permanent space is available. During this period, Student will earn a 25% credit on the daily rate of the room portion of the Contract. If the UT Arlington Housing Office places Student in a temporary space, Student is bound to the terms and conditions of the Contract through the fifth-class day. After the fifth-class day and before the UT Arlington Housing Office offers Student permanent space, Student may cancel the Contract upon written notice and payment of the prorated amount under the Contract for the number of days that Student occupied the temporary space.
- E. Only the person(s) assigned by the UT Arlington Housing Office to Student's room may reside in the room. The UT Arlington Housing Office reserves the right to make changes in room assignments for such reasons as the UT Arlington Housing Office determines to be appropriate in its sole and absolute discretion, including, without limitation, roommate conflicts, pending disciplinary action, non-compliance with University Regulations, and disruptions to the community.
- F. If Student fails to move to a new location within the Residence Halls within twenty-four hours after the UT Arlington Housing Office has issued to Student authorization or direction to move, Student may be assessed an improper check out fee and referred to the Office of Community Standards for disciplinary action.
- G. Single occupancy in double rooms is allowed only on University's prior approval, which may be withheld in its sole and absolute discretion. Requests for single occupancy must be submitted in writing to the Leasing Consultant in University Housing Office for approval. Single room occupancy in rooms designated as double occupancy will be charged at one and seven-tenths (1.7) times the double room rate. If the University has a waitlist for Residence Hall bed space, single room contracts may be changed to double room contracts. University will provide to Student a forty-eight (48) hour notice and the rent will be adjusted accordingly.
- H. If Student's roommate vacates the double room or if Student's suitemates all vacate the suite, Student agrees to accept another roommate or suitemate as assigned. Student may be asked to move to another room if requested by the UT Arlington Housing

Office. Failure to move may result in Student being charged a single room rate and improper check out fee in addition to a referral to the Office of Community Standards for disciplinary action.

- I. Room changes may be made only with the approval of the Residence Director. Hall and/or room type changes may be made only with approval of the UT Arlington Housing Office. Students who complete a hall and/or room type change will be required to sign a new contract. Once signed, no changes will be made to the contract until two weeks after the Residence Halls open. Requests for changes will be accepted on opening day and afterwards.

Student may be required to schedule a move-in appointment in advance to limit the number of students moving into the residence halls at the same time. In addition, move-in activity may be expanded to a multi-day period at the discretion of the University.
- B. If Student fails to move in by 5:00 p.m. one day before classes begin, University may terminate the Contract and Student will forfeit the deposit and will be assessed a contract release fee in accordance with Section 5 unless Student makes prior written arrangements with their Residence Director to move in on a later date.
- C. If Student is permitted by the UT Arlington Apartment and Residence Life Office to move in early, or if Student accepts a room key, places any belongings in a room, or requests to have Student’s space held after 5 p.m. one day before classes begin, the Contract will be effective the earlier of the date of any such action or the starting date of the Contract Period and you will be liable for the Contract. If the effective date of the Contract, as provided in this paragraph, is earlier than the starting date of the Contract Period as stated in the Contract, these terms and conditions shall apply commencing on that earlier date. In this instance, Student will be responsible to pay a non-refundable \$30 per night fee during the early arrival period.

Student must execute a separate Contract for Winter session, Summer Intersession and/or Summer school housing and pay for additional dates of occupancy if Winter session, Summer Intersession and/or Summer school housing is desired. Students who do not live in the designated Winter session hall(s) for Fall and Spring semesters would be required to relocate temporarily for Winter session housing. In this instance, residents who do not reside in a Residence Hall where Winter session housing is available would move into a designated Residence Hall for Winter session housing on December 13, 2024 and return to their permanent housing assignment on January 8, 2025 at 9:00 a.m. (coinciding with early arrival schedule.)

Further, Student shall indemnify University and prospective residents from damages, costs, and expenses, including, without limitation, lost revenues, lodging expenses, and attorney's fees, arising out of, or related to, Student's failure to timely vacate.
- H. **ABANDONMENT:** Student shall be deemed to have abandoned the Premises when all of the following have occurred; (1) Student appears to have moved out in UTA's reasonable judgment; (2) clothes, furniture, and personal belongings have been substantially removed in UTA's reasonable judgment; (3) Student has been in default for non-payment of Rent for 3 business days or the contract termination date has passed; and (4) student has not responded for 2 days to UTA's notice left on the inside of the main entry door, stating that UTA considers the Premises abandoned. Abandonment ends student's right of possession and gives UTA the immediate right to remove items of personal property, clean up, make repairs, and relet the Premises. Property removed after an abandonment or judicial eviction may be disposed of in any manner deemed appropriate by UTA. UTA has no duty to store property after a judicial eviction or abandonment.

**10. Care of Facilities; Equipment; Pets; Smoking; Pest Control; Weapons**

Due to space limitations, a maximum of two refrigerators are allowed per double room in Arlington, KC, Vandergriff, and West Hall. In Arlington Hall and KC Hall suites, residents can have a refrigerator in the common area, and one in their private room. Refrigerators may not exceed 4.3 cubic feet.
- D. No Animals are permitted except for service animals or approved emotional support animals for persons with disabilities, or fish in small (10 gallons or less) aquariums. No unapproved animals are allowed (even temporarily) anywhere in or about the Student's Residence Hall or Student's room. In advance of housing an emotional support animal, Student must register and obtain approval from the Student Access and Resource Center and Student must complete the necessary animal registration process with University Housing.
- E. The University of Texas at Arlington is a Tobacco Free Campus. In effect as of September 1, 2019, Texas law makes it illegal for anyone under 21 to use or possess tobacco and nicotine products—except for military members. The law raises the age from 18 and makes it a class C misdemeanor to possess, purchase, consume or receive cigarettes, e-cigarettes, or tobacco products. UTA is a tobacco-free campus—and has been since 2011. The use of all tobacco products—including cigarettes, cigars, pipes, smokeless tobacco, electronic cigarettes, vaping devices, and other tobacco products—is prohibited everywhere on campus. The ban encompasses all outside property and grounds on UTA and its affiliated campuses. More information and resources on how to quit smoking can be found on the UTA Tobacco Free website: <https://www.uta.edu/tobaccofree>. Thus, smoking is not permitted inside Residence Halls or on campus. Violation of the smoking policy will result in a fine of \$50 for each violation, and the repeated violation of the smoking policy by Student /or Student's guest(s) is a breach of this Contract.
- F. Residents are responsible for cooperating with pest control services. Residents may be required to wash, clean, relocate, and/or permanently remove personal property from the residence to prepare for and comply with pest control treatments. Student agrees that Student has inspected the Student's room prior to move in and is not aware of any signs of bed bugs or any other

pest infestation or will inspect Student's room within 72 hours after move-in and notify UTA immediately of any bed bugs or any other pest infestation. Prior to move in, Student is required to disclose information about any exposure to bed bugs or any other pests in previous dwellings. Student agrees that: (1) Student has not previously experienced or been subjected to bed bugs or any other pests in other dwellings and is not aware of bed bugs or any other pest in any furniture, clothing, or personal property, or (2) Student has previously been exposed to bed bugs or any other pest but all of Student's personal property has been treated by a licensed pest control professional and is free from further infestation. Student is required to fully cooperate with UTA and the pest control services to access the Student's room at reasonable times to inspect or treat bed bugs or any other pest. Student must have all furniture and personal property treated by a licensed pest control professional, approved by UTA, at his or her own expense unless agreed to otherwise in writing by UTA. Failure to do so is a Contract violation and UTA may terminate this Contract and right of occupancy and exercise all rights and remedies under the Contract. Student must promptly notify UTA: of any known or suspected bed bugs or any other pest infestation in the Student's room or personal property; of any recurring or unexplained bites or skin irritations that may be caused by bed bugs or any other pest in the Student's room; and of any discovery that might indicate the presence of bed bugs or any other pest. Student must cooperate with UTA if bed bugs, or any other pest are confirmed. Student agrees that personal property that cannot be treated or cleaned must be destroyed and disposed of off-site. UTA has the right to have Student temporarily vacate UTA Housing and remove personal possessions for UTA to perform pest control treatments. Failure to comply is a violation and the University may terminate Student's Contract and right of occupancy and exercise all rights and remedies under the Contract. UTA has the right to require Student to pay for all reasonable costs of cleaning and pest control treatment incurred by UTA for treating for bed bugs or any other pest. Likewise, if bed bugs or any other pests are confirmed in the Student's room after Student vacates, Student may be required to pay for cleaning and treatment costs. Student may also be held responsible for lost rental income and other expenses incurred by UTA to move or relocate residents in adjacent dwellings to perform pest control treatments in other student's rooms. If Student fails to pay for any of these costs, Student shall be in default, and UTA may terminate the Student's right of occupancy and exercise all rights and remedies under the Contract. If UTA allows the Student to transfer to another University-Owned Property, the Student must have all personal property treated by a licensed pest control professional according to accepted methods. In this instance, Student must provide documentation of the cleaning and treatment that is satisfactory to UTA.

- G. **Campus Carry:** Only License to Carry (LTC) individuals who are licensed by the State of Texas to carry a concealed handgun may be in possession of a handgun in university owned housing in accordance with State law and UTA policy. A licensed holder in university owned housing must have their handgun(s) on or about their person or safely secured or stored to prevent tampering or theft. When the handgun is not on or about their person, the handgun must be stored in a combination or electronic locking steel safe. The safe must be securely attached to a bed frame or other furniture with a steel tethering cable, to minimize the possibility of theft. This policy applies to university owned housing residents and their guests. Violation of this policy will be a breach of the Contract/Lease and the University may terminate the Contract/Lease and right of occupancy and exercise all rights and remedies under the Contract/Lease. For more information regarding weapons on campus and the carrying of concealed handguns, visit UTA's Weapons on Campus and Concealed Carry Policy and UTAPD's website on Campus Carry. Roommates in University owned housing may select a preference for a roommate who agrees not to possess a handgun on the University Campus; however, the University makes no guarantee to fulfill any request. If a student is not satisfied with their assigned roommate or room, they may request a change. Information on requesting a change in assignment is available at here.
- H. **WEAPONS AND FIREWORKS:** The use or possession of firearms (excluding those that fall under the Weapons on Campus and Concealed Carry policy, i.e. a handgun), fireworks, illegal or lethal weapons in University owned residential premises, or elsewhere on the University campus, is prohibited. According to Texas Penal Code, Title 10, Chapter 46, these weapons are prohibited on the premises of a school or educational institution, unless written authorization has been granted by the institution. Additional items prohibited in University owned residential premises or elsewhere on the campus include nooses, firearm silencers, switchblade knives, swords, hoax bombs, stun guns, illegal knives, knuckles, fireworks, play look-alike guns, paintball guns, pellet or BB guns, and decorative firearms (working or non-working), or any other object that would not be considered a weapon in its intended use, but that has been modified in a way to make that object usable as a weapon (i.e. a homemade Morgenstern bat).

## 18. Special Circumstances in the Event of a Public Health Crisis

- A. Public health crises may impact the University community and campus experience in unprecedented ways. UTA and impacted individuals have a joint responsibility to minimize risk and the potential spread of communicable disease within the campus community. In the event of a public health crisis, residents of UTA Housing should anticipate changes to the UTA housing and dining experience as UTA adheres to potentially evolving state and local executive orders. The below policies and guidelines are applicable to all residents in UTA Housing in the event of a public health crisis but are otherwise not required.
- B. **Health and Safety.** UTA expects that all members of the UTA Housing community - residents, staff, and visitors— will act in a manner that demonstrates respect and consideration for those around them, including respect and consideration for the health and safety of all community members. All residential students are prohibited from creating a health or safety hazard within UTA Housing, and UTA may request or require a resident or visitor to leave UTA Housing if their continued presence in the housing community poses a health or safety risk for community members. Adherence to health and safety requirements applies to all residents, staff, and visitors within UTA residence halls. Residential students are required to comply with health and safety laws,

orders, ordinances, regulations and health and safety guidance adopted by UTA as it relates to public health crises. Guidance is expected to evolve as a public health crisis evolves and may include, but is not limited to, social distancing, limitations on mass gatherings, wearing a face covering, diagnostic and surveillance testing, contact tracing, disinfection protocols, limitations on guests into residence halls, and quarantine and isolation requirements.

C. **Changes to Resident Requirements.** In the event of a public health crisis, residents should anticipate the following changes to resident requirements.

1. **Social Distancing:** Depending on the property, UTA Housing offers private-bedroom accommodations with one student per bedroom or shared-bedroom accommodations with a maximum of two (2) students per bedroom. In this instance, roommates and suitemates are considered a “family unit” and exempt from social distancing rules within the assigned residential unit. However, students are expected to uphold social distancing guidelines in all common areas outside of their residence hall room or suite.
2. **Face Coverings and Masks:** Face coverings or masks may be required outside of the resident’s assigned residence hall room or suite. This includes all common spaces including hallways, stairwells, elevators, lounges (social and study), kitchens, laundry rooms, mail centers, class/conference rooms, computer labs and other campus facilities.
3. **Diagnostic and Surveillance Testing:** Residents may be encouraged to monitor their temperature daily. Residents who become ill or show signs of symptoms of an ongoing public health crisis should contact the Health Center or their personal care physician without delay. UTA Housing may make reasonable efforts to provide thermometers, but residents are encouraged to bring their own.
4. **Contact Tracing:** Residents who test positive for an infectious disease or come into close contact with someone who tests positive for an infectious disease are required to complete a [Close Contact or Personal Diagnosis Form](#) and are strongly encouraged to cooperate with public health officials’ quarantine orders and contact tracing efforts.
5. **Sanitation Protocols for Resident Rooms:** Residents are responsible for cleaning their assigned residential unit. Residents are encouraged to utilize the cleaning section of the Roommate Agreement form to share the responsibilities.
6. **Limited Guests:** Out of respect for the health and welfare of others, inviting guests into residence halls will be discouraged and likely limited. UTA will monitor state and local information and data, and revised guest policies may be implemented as a public health crisis progresses.
7. **Limited Mass Gatherings:** The University will monitor Centers for Disease Control and Prevention guidelines and Governor’s Executive Orders related to gatherings and campus events. Additional guidance will be made available as soon as possible.
8. **Resident Move In:** If resident move-in occurs during a public health crisis, residents may be required to schedule a move-in appointment to limit the number of students moving in at the same time. In addition, move-in activity may be expanded to a multi-day period.

D. **Changes to Facility Amenities.** In the event of a public health crisis, residents should anticipate the following changes to facility amenities. Community spaces may or may not be open and face coverings may be required outside of the student’s room or suite. Residents should wipe down surfaces in community spaces before and after use with university-provided cleaning products. Appropriate social distancing may need to be maintained, as well as being mindful of the size of rooms and occupancy limitations.

1. **Community Kitchens:** A sign-up process may be utilized for residents to reserve a time to use the community kitchens.
2. **Community Laundry Rooms:** Use of community laundry rooms may be limited. A sign-up process may be utilized for residents to reserve a time to use the laundry rooms.
3. **Computer Labs:** Computer equipment in computer labs may be limited to encourage social distancing. Laptop computers may be available to check out from the Central Library.
4. **Lounges:** Furnishings in social and study lounges may be limited to encourage social distancing.
5. **Elevators:** Elevator capacity may be limited based on the size of the elevator, so please use the stairs whenever possible. Signs with instructions may be placed in each elevator identifying the number of riders and where to stand.
6. **Public Drinking Fountains, Water Filling Stations, and Ice Machines:** Services may be closed during the public health crisis.

E. **Quarantine, Isolation, and Separation.** At any time, UTA may request or require a resident to leave UTA Housing when that resident’s continued presence in the housing community poses a health or safety risk for community members. Residential students are required to comply with directives from UTA to leave their assigned space due to any public health crisis or emergency. Failure to comply is a violation of the Housing Contract and may subject a student to emergency removal from their assigned space. General requirements for self-quarantine or self-isolation include, but are not limited to, the following.

1. UTA Housing residents should be prepared to self-quarantine or self-isolate off-campus in accordance with the following public health guidelines.

Public Health Concern	Health Care Response
Student has traveled to campus from a restricted travel zone.	<u>Self-quarantine</u> upon arrival in accordance with posted UTA guidance or recommendations from the Center for Disease Control.
Student has been in close contact with someone who has tested positive for an infectious disease.	<u>Self-quarantine</u> in accordance with posted UTA guidance or recommendations from the Center for Disease Control.
Student shows symptoms and has not been tested or test results pending.	<u>Self-isolate</u> until cleared by a health care professional.
Student has a positive infectious disease test.	Complete the <a href="#">Close Contact or Personal Diagnosis Form</a> .

2. Residents should have an evacuation strategy in place if needed to self-quarantine or self-isolate off-campus due to health or safety concerns. Residents are strongly encouraged to list an off-campus location with contact information where the student can evacuate if necessary.
  3. Residents who do not have suitable off-campus accommodations for self-quarantine or self-isolation may be contacted later to explain further the reason they should be exempt from the requirement above.
  4. Not all UTA Housing residential units are appropriate for self-quarantine or self-isolation. Students will be expected to self-quarantine or self-isolate off campus unless approved for an exception by the UTA Housing Quarantine and Isolation Committee.
  5. UTA Housing residents who do not have suitable off-campus accommodations for quarantine or isolation may be required to self-quarantine or self-isolate in their assigned unit when possible or in alternate university-provided facilities in accordance with UTA directives. If a resident's roommate or a close contact tests positive for an infectious disease, the resident may be required to self-quarantine or self-isolate in their assigned residence when possible or in an alternate location in accordance with UTA directives. Such students will be allowed to re-enter their assigned housing facility once all self-quarantine or self-isolation protocols established by the University have been achieved.
  6. UTA Housing residents will not have to pay additional housing charges to quarantine or isolate in university-provided facilities. University-provided facilities for quarantine or isolation may be owned and operated by UTA or owned and operated by a private company for the benefit of UTA.
