

E.H. Hereford University Center and Commons

Reservation Guidelines

Security

If an event is judged by The Commons & University Center Operations office personnel, or any other department on campus, to require U.T. Arlington Police presence that decision will be honored by all users of the UC and The Commons. In that case, it will be the responsibility of the organization planning the event, meeting, activity, or program to make those arrangements and pay for those services offered by the U.T. Arlington Police Department.
