Damage to Facilities

Signs, banners, placards, or other objects may not be taped, tacked, stuck, nailed, pinned, or otherwise attached, or affixed or leaned on, to, or against any walls within The Commons or UC. Therefore, users must make arrangements with the Conference Coordinator about methods of displaying any decorations. No person may wear shoes that have metal taps, cleats, or any other type of soles that may scratch, indent, mark, or otherwise damage the surface of the floors of The Commons or UC. Any organization or individual that violates this provision may be subject to disciplinary action and may be responsible for the payment or repayment of the cost of repair of any resulting damage.
