

Partner Agreement Between the North Texas Food Policy Alliance and

(Organization)

PURPOSE

The North Texas Food Policy Alliance's (NTFPA) mission is to foster regional collaboration to develop sustainable and equitable food systems in North Texas. NTFPA envisions a region with a sustainable and equitable food system that will end hunger and ensure health and well-being for all. The purpose of this Partner Agreement is to formalize the collaboration between the NTFPA and _____.

(Organization)

As a partner organization that shares the mission and vision of the NTFPA, _____ agrees to (check all that apply): _____
(Organization)

- Have representation on the NTFPA from our organization.
- Serve as a champion for the NTFPA through promotion and educating others about the alliance.
- Actively participate in meetings and major convenings.
- Contribute to NTFPA's mission, vision, and goals in a variety of ways, such as participating in working groups, providing advice and expertise as needed, sharing resources when appropriate, and initiating actions to advance the mission and vision of the organization.
- Respond in timely ways to requests for input and information that is in service of the alliance.
