

# We're Advancing the Campus Master Plan & Energy Transition and Resilience Plan!

## HOW CAN YOU GET INVOLVED?

### STUDENT / FACULTY / STAFF OPEN HOUSE

Tuesday, April 30, 2024

11:00 AM - 12:15 PM

University Center, Red River and Concho Rooms

Scan the QR code and share your priorities and interests related to sustainability, resilience, and climate action measures.

Your voice matters in creating a sustainable future for our community, and we want to hear from you!

ENERGY TRANSITION  
AND RESILIENCE PLAN  
SURVEY

### CAMPUS MASTER PLAN UNDERWAY!

Please join us as we continue the Campus Master Planning effort, a powerful tool that provides an opportunity to re-examine physical campus improvements every 10 to 20 years and prioritize near, medium, and long-term capital improvements.

During the Open House we will be sharing Opportunities and Alternative Scenarios for the future of campus!

### ENERGY TRANSITION AND RESILIENCE PLAN UNDERWAY!

We invite you to the Open House to discuss key aspects of the plan and gather your feedback to finalize goals and strategies.

Please join us as we continue imagining a more sustainable future for UTA.
