

We're Kicking Off the UTA Climate Action Plan!

We are excited to announce the initiation of our Climate Action Plan, a significant step towards addressing the pressing issues of climate change and sustainability. To mark the beginning of this crucial endeavor, we would like to invite you to the kickoff meeting where we will outline our goals, strategies, and collaborative efforts to combat climate change.

We believe that your expertise and commitment to sustainability will be invaluable to the success of our Climate Action Plan. Your presence at the kickoff meeting will not only contribute to the dialogue but also foster collaboration among key stakeholders.

Let's collaborate and make a positive impact together.

UTA Climate Action Plan Kickoff

Monday, January 22, 2024

8:30 - 11:30 AM

University Center, Rio Grande Ballroom

WHAT IS A CLIMATE ACTION PLAN?

Building off of UTA's Office of Sustainability's existing efforts, this climate action plan will deep-dive into our campus 2040 goals to identify how to achieve deep decarbonization. The plan will seek to understand how individual actions, policy, infrastructure, and even campus finances can transition to support our shift to a more sustainable future. We want to hear your thoughts on how and what we can do to achieve climate excellence!
