Total Hours Required: 57

Professional Degree Program: Path B (2 years)

Applicants holding a baccalaureate (B.A., B.S.) degree in architecture. A minimum of 57 credit hours in architectural design, theory, and practice is required of Path B candidates for the professional degree in architecture (M.Arch). Due to the rigor of the program (not unlike any other professional school, law or medicine), students entering this program are advised to discontinue outside employment.
