# Undergraduate Maverick Academic Progress (UMAP) Report

| | |
|---|---|
| 1. | Log on to UT Arlington's MyMav site (http://www.uta.edu/mymav). Click the **Sign In** button. [Sign In] |
| 2. | Click the **Yes** button. [Yes] |
| 3. | Click the **Student Center** link. [Student Center] |
| 4. | Click the **Yes** button. [Yes] |
| 5. | Click the **Degree Progress** link. [Degree Progress] |
| 6. | Click the **Report Type** list [ ▼ ] |
| 7. | Click the list. [GRAD Mav Academic Progress / UGRD Mav Academic Progress] |
| 8. | Click the **Go** link. [go] |
| 9. | The undergraduate student viewing the **UMAP** will see the Summary Page first. This page gives a capsule look at student statistics such as GPA, total credits, units In-Progress, test scores, academic plans, etc. |
| 10. | Next, you will see an explanation of the MAP and an Advising Transcript. <br><br> If there is a requirement that has not been completed, the plan will display the areas that have not been completed in **bold** type and will include the words Requirements Not Satisfied. |
| 11. | Then, you will see the Advising Transcript, which lists all courses taken. |
| 12. | The University **CORE** is the 44 units of general education courses required by the Coordinating Board for Texas Public Institutions. The **CORE** can vary according to the academic college. A course may be used in the **CORE** and again in the major but will still only be counted once toward total units. <br><br> If there is a requirement that has not been completed, the plan will display the areas that have not been completed in **bold** type and will include the words Requirements Not Satisfied. |
| 13. | COURSES NOT ALLOCATED is a section listing courses that have not been applied to a particular requirement. It is also the section that gathers the elective credits sufficient to meet the total hours for the degree. |
| 14. | Finally, you will see the plan(s) that you are coded for. This could be a major only; major and a minor; or several majors, etc. <br><br> If there is a requirement that has not been completed, the plan will display the areas that have not been completed in **bold** type and will include the words Requirements Not Satisfied. |
| 15. | If you have questions after viewing your MAP report, print out a copy and take to your next advising appointment. To print this report, use your browser print button/icon. <br><br> Remember all requirements that have not been completed or are not in-progress will be displayed in **bold** print. If you have not been admitted to a major, contact your academic advisor for more information. <br> **End of Procedure.** |
