PLEASE READ EACH STATEMENT AND INITIAL.

_____ 1. I understand that if I do not participate in the Concentration Portfolio Review, that I will automatically accept a first failed attempt. If after the second semester I fail or choose not to go through, I will be asked to change majors.

_____ 2. I understand that the portfolio I present to the faculty for review should reflect a solid understanding of the foundations and commitment within my intended concentration.

_____ 3. If I choose to attempt a Bachelor of Fine Arts degree and am accepted into my concentration, I understand that I will also be required to participate in a 36 credit hour portfolio review with my faculty to continue in the BFA program.

_____ 4. I understand that if I fail my first attempt at the 21 credit hour review, I will continue taking classes as an art intended student and will have to try a second time to pass CPR the following semester. A second fail would prevent entrance into the BFA program. If I scored at least 4 meets expectations, and or has a high enough GPA, will be moved to the Bachelor of Arts degree at that time.
