Directions for Reviewer: Please place score 1-10 for each category.
 1 = far below average, 10 = well above average

A score of 72 or above indicates the student has grasped student learning outcomes in Art and Art History.
 If the score or ART GPA is low, a course of action will be discussed with the student and remarks indicated in additional comments.

1. Exploration of a broad range of media, materials, and processes
2. Knowledge of how to use various technologies as they apply to art and design production
3. A high degree of skill and craft in using art and design materials and tools
4. An expression of a personal philosophy of art and/or conceptual development (content of work)
5. Consistency of work

6. Direction of work
7. An understanding of the theoretical foundations
8. Creative expression involving risk taking, originality, and/or problem solving
9. Development of an advanced level of personal creative expression in the student's area of concentration

10. Has the student participated in community or departmental clubs, service learning activities, or external exhibitions/competitions? If yes, please list.
11. Is the student planning on participating in Internship opportunities? If yes, please list type and semester
12. Additional Comments
