03 - COURSE AND ADVISING INFO

Course and Advising Information

Undergraduate students attending the Italy program will take 6 credits for the following classes:

- BCMN 2366 - Aerial Videography and Photography
- COMM 4393 - Storytelling With Motion Design and Data Visualization.

Graduate Students will sign up for COMM 5393, which is a graduate version of Storytelling With Motion Design and Data Visualization.

Students must be in good academic standing at UTA and be counseled on how these two classes apply to their degree requirements.

What do you hope to learn from studying in Colombia, both academically and personally, and how do you think this experience will shape your future goals?

What unique perspectives or skills do you believe you can contribute to this study abroad experience, and how might these benefit your fellow students and the local community at home and abroad?

How do you plan to engage with and show respect for Colombian culture, history, and local customs during your time abroad?
