ART 2300: METHODS FOR THE STUDY OF ART HISTORY

ART 2300 serves as a 'review' of Art History majors for acceptance into the BA in Art History degree, moving a student from Art History 'intended' to the official BA in Art History.

Students must take a grade of B or higher to move forward for acceptance into the BA Art History plan or will need approval from the Art History area head.

Students will learn the techniques and procedures of art historical research.

This sheet only serves as a general, overall guide. Other factors may affect the above. Students should always discuss a plan with an Art advisor.
