~NOTE: Students have the option to enroll in Summer classes to relieve courseload during regular terms. ~

Student Concentration Portfolio Reviews (CPR): 21 hr and 36 hr

21hr CPR will be able to recommend either acceptance into the B.F.A. program (a pre-professional program) or into the B.A. degree.

Transfer and new students would be allowed to register for the BFA/BA degree as "Art intended."

Courses within Art Foundations, Art Elective studios, and Concentration courses may be considered for 21hr CPR. As 21 and 36 studio class hours are achieved, each potential B.F.A. student will be reviewed by appropriate faculty (not by a standing committee). At 21 hrs, the review would have the purpose of "entrance" into the BFA/BA programs. 36hr CPR ensures students' advanced level work is satisfactory with program requirements and expectations.

For more information concerning the student concentration portfolio review, go to <https://www.uta.edu/art/advising/concentration-portfolio-review> or contact an Art + Art History advisor.

This sheet only serves as a general, overall guide. Other factors may affect the above. Students should always discuss a plan with an Art advisor.
