

UTASO Audition Instructions-Spring 2024

- The UTASO will be accepting auditions for the following instruments *only*: clarinet (esp. bass clarinet), oboe, french horn, percussion, and string players (non-music majors) who were not in the ensemble in the fall of 2023.
- Auditions will occur in Dr. Evans' office (FA 253A) and consist of a solo of your choice (excerpt of 2-3 minutes total), one standard orchestral excerpt for your instrument (ask your studio professor or me if you need help finding one), and two scales of Dr. Evans' choice. The scales chosen can be either major or minor, but you can select the form of the minor scale (natural, harmonic, melodic). Please perform the scale in as many octaves as you are comfortable.
- Please email Dr. Clifton Evans with any questions (cevans@uta.edu).
- Sign up for an audition time [here](#).
- Rehearsals will begin the first day of class-Tuesday, Jan. 16.
- The orchestra meets from 2:30-5:00 p.m. on Tuesdays and Thursdays. Please confirm you have that time available in your schedule before auditioning.
- We will hold string seating auditions the third week of class for all string players in the ensemble. More information about that will come out when the semester begins.
