**Center for Innovation and
Digital Transformation**
Bridging Business and Research

The Center for Innovation and Digital Transformation at UT Arlington in collaboration with Alcon will hold an Analytics Competition among graduate business students in North Texas. The winners will be invited to and be recognized during the Center's 5th Annual Business Analytics Symposium to be held on March 5th at the University of Texas @ Arlington University Center.

We invite you to participate in this competition. It is a great occasion to showcase your talents, earn awards (top 3 teams), and be recognized before the symposium attendees (including analytics executives).

Eligibility:

- You must be enrolled as a fulltime student in a graduate business analytics program.
- Be in a team comprising of 2-5 members (all from the same university).
- Employees of Alcon, our student competition partner, are not eligible to participate.

Competition Contact:
