ANNUAL SYMPOSIUM (January 3-4, 2023)

The Symposium provides a platform for accounting and corporate governance academics to present cutting-edge research findings and exchange insightful perspectives. We invite submissions for the Plenary and Concurrent Sessions. Plenary papers will be considered as submissions to the Journal, whereas Concurrent session papers are meant only for presentation at the Symposium. Concurrent session submissions are NOT considered submissions to the Journal.

Details & Submission Guidelines

Plenary session submissions

Plenary paper submissions should be made directly to JCAE using Editorial Manager. The submission fee is US$100. Use the following link to submit papers: https://www.editorialmanager.com/cae/default1.aspx

In the “Article Type,” choose VSI Conference 2023.
**Concurrent session submissions**

Concurrent manuscripts should be submitted in MS-Word format (1 blind copy & 1 copy with authors’ details) to jcaesymposium2023@uta.edu. Please state clearly that the manuscript is submitted for the Concurrent Session by including “Concurrent Session” in the subject line of the email. Please **do not** use the editorial manager for the submission of Concurrent Session papers. There is no submission fee for Concurrent Sessions submissions.

Papers accepted for Plenary Sessions will be published in the JCAE, subject to satisfactory revision and acceptance by the Editors. Authors are required to sign a copyright release form as a condition of publication. The Journal retains the option to consider some submissions that are not accepted for plenary presentation at the Symposium. The authors will be notified if that is the case.

Authors who do not wish to commit their papers to the Journal should submit their papers for consideration at the Concurrent Sessions. Plenary submissions not selected for Plenary Sessions will be considered for the Concurrent Sessions. Authors who do not wish their papers to be considered for Concurrent Sessions should clearly state this in their submission (or notify us after submitting it to Editorial Manager).

Best Paper Award: The best paper for the Plenary Sessions will receive a cash award of USD$1,000.

**DOCTORAL CONSORTIUM (January 5, 2023)**

The Doctoral Consortium allows students to present their proposals and interact with renowned professors of international standing.
