GRIT and RESILIENCE

The Goolsby Scholars continue to manage the current health crisis while adjusting to life’s challenges (e.g. Texas Snowzilla) in stride. They are attending classes, working on projects, and many are receiving internships. These emerging leaders are purposeful at giving back to organizations on and off campus while seeking opportunities for long-term grow.

Demonstrating a true desire to lead during crisis.

EARLY LEADER PROGRAM

The Early leader program was created after a generous gift from the Burlington Northern and Santa Fe Railway Company (BNSF).

200 students impacted in 6 cohorts.
Abiral Acharya is an international student from Nepal. As an Accounting and Finance scholar, he has traveled abroad to London and Ireland (2019). Constantly seeking opportunities to gain financial policy experience, Abiral was selected as an Assurance intern at Ernst and Young for Spring 2021.

Tritima Achigbu served as the UTA Volunteers youth and education director in her freshman and sophomore years. She is a Finance major who recently accepted an internship at Fidelity Investments and continues to work as a freelance writer/copywriter.
