

**Program of Work**  
**Master of Business Administration (Weekend)**

Available on the main campus in Arlington, the Weekend MBA allows students to follow a sequential course schedule consisting of 8 week classes offered on weekends throughout the semester. Courses in this program are taught primarily face-to-face with online components included to accommodate the needs of the working professional. This program prepares professionals for careers within all types of organizations and can be completed in less than 15 months.
