COLLEGE OF BUSINESS 2020-2021

The courses listed below are part of the General Core Curriculum for a Bachelors Degree and are required for each degree. If you have already completed a course that transferred in as an equivalent to one of the courses listed for each category, it will be reflected in your MAP (Maverick Academic Progress, located in your MyMav account). We will place this course on your degree worksheet as satisfied. Courses that do not transfer in as equivalent or code coded may be evaluated by the UTA Transfer Articulation Team.
