## COLLEGE OF BUSINESS 2023-2024

\* some courses may be revised when the 2023-2024 University Catalog is published

The courses listed below are part of the General Core Curriculum for a Bachelors Degree and are required for each degree. If you have already completed a course that transferred in as an equivalent to one of the courses listed for each category, it will be reflected in your MAP (Maverick Academic Progress, located in your MyMav account). We will place this course on your degree worksheet as satisfied. Courses that do not transfer in as equivalent or core coded may be evaluated by the UTA Transfer Articulation Team. You must submit a complete syllabus of the course to [transferarticulation@uta.edu](mailto:transferarticulation@uta.edu) for review and final determination. The College of Business will not make determinations on these courses.
