The Nightingale Pledge

With full knowledge of the responsibilities I am undertaking, I pledge to care for my patients with all of the knowledge, skills, and understanding that I possess, without regard to race, color, creed, politics, or social status.

I will spare no effort to conserve meaningful life, to alleviate suffering, and to promote health.

I will refrain from any action which might be harmful to the quality of life or health of those I care for.

I will respect, at all times, the dignity and religious beliefs of the patients under my care, and hold in professional confidence all personal information entrusted to me.

I will endeavor to keep my professional knowledge and skills at the highest level and give my support and cooperation to all members of the health team.

With full awareness of my qualifications and limitations, I will do my utmost to maximize the potential of the nursing profession and to uphold and advance its standards.

The Class of Fall 2021 would like to thank

Our families and friends for their unending love and support throughout our time in nursing school. We would also like to thank the faculty and staff of the College of Nursing for their dedication and guidance. We could not have done it without all of you.
