

Course List for the Master of Science in Nursing, Pediatric Nurse Practitioner- Dual

2020-2021 Academic Year | Department of Graduate Nursing, UTA College of Nursing

Resources

For official course lists, descriptions and degree requirements please refer to the UTA Catalog. The College of Nursing makes every effort to keep this list accurate, but this list is unofficial and provided for convenience only. UTA Catalog: [UTA Catalog, Nursing Master's Programs](#)

Do you have questions, or would you like to speak with someone about applying to the program? Our academic advisors are ready to meet with you: [Nursing Graduate Academic Advising](#)

Courses

NURS 5327

Exploration of Science and Theories for Nursing

This course provides a critical examination of the philosophical and theoretical bases for nursing science.

| Prerequisite: Graduate Standing | 3 Credit Hours

NURS 5366

Principles of Nursing Research

This course focuses on integration of theoretical and empirical principles of nursing research to generate evidence for nursing practice.

| Prerequisite: Graduate Standing | 3 Credit Hours

NURS 5367

Evidence Based Practice

Preparation to lead evidence-based practice teams, to interpret best evidence, to plan for change, to evaluate outcomes, and to disseminate the project.

| Prerequisites: NURS 5327, 5366 | 3 Credit Hours

NURS 5315

Advanced Pathophysiology

Builds on a previous understanding of anatomy and physiology and focuses on developing advanced knowledge of physiologic and pathophysiologic concepts across the life span.

| Prerequisite: Graduate Standing | 3 Credit Hours

NURS 5334

Advanced Pharmacology for Nurse Practitioners

Study of clinical pharmacological therapeutics for advanced nursing practice.

| Prerequisite: NURS 5315 | 3 Credit Hours

NURS 5220

Advanced Health Assessment and Diagnostic Reasoning

Apply theoretical foundations of comprehensive health assessment across the lifespan.

| Prerequisite: NURS 5315 | 2 Credit Hours

NURS 5130

Pediatric Assessment Lab

Conduct comprehensive health assessment in the pediatric population.

| Prerequisite: NURS 5220 | 1 Credit Hour

NURS 5350

Role of the Nurse in Advanced Practice

Theory and application of the multiple roles of the advanced practice nurse within the health care system.

| Prerequisites: Graduate Standing | 3 Credit Hours

NURS 5465

Primary Pediatric Care

This course focuses on advanced concepts and knowledge for nurse practitioners management of designated minor acute, chronic and chronic health problems of pediatric patients and their families in primary care healthcare settings.

| Prerequisites: NURS 5334, 5220, 5130, 5367 | 4 Credit Hours

NURS 5466

Pediatric Acute Care

This course focuses on advanced concepts and knowledge for nurse practitioner management of designated critical, acute, chronic and complex health problems of pediatric patients and their families in an acute care facility.

| Prerequisites: NURS 5465 | 4 Credit Hours

NURS 5467

Pediatric Complex Care

This course focuses on advanced concepts and knowledge for nurse practitioner management of designated acute, chronic and complex health problems of pediatric patients and their families in multiple healthcare settings.

| Prerequisites: NURS 5465 or concurrent enrollment | 4 Credit Hours

NURS 5372

Pediatric Primary Care Clinical Practice II

Continue clinical preceptorship in selected primary health practice sites with opportunities to apply knowledge and concepts of advanced nursing practice implementing the pediatric nurse practitioner role in evidenced based patient care.

| Prerequisites: NURS 5371 or concurrent enrollment, 3.0 GPA | 3 Credit Hours

NURS 5373

Pediatric Acute Care Clinical Practice I

Initial clinical preceptorship in selected acute and chronic care health practice sites with opportunities to apply knowledge and concepts of advanced nursing practice implementing the pediatric acute care nurse practitioner role in evidenced based patient care.

| Prerequisite: NURS 5467 or concurrent enrollment, 5466 or concurrent enrollment, 3.0 GPA | 3 Credit Hours

NURS 5374

Pediatric Acute Care Clinical Practice II

Continue clinical preceptorship in selected acute and chronic care health practice sites with opportunities to apply knowledge and concepts of advanced nursing practice implementing the pediatric nurse practitioner role in evidenced based patient care.

| Prerequisites: NURS 5466, 5373 or concurrent enrollment, 3.0 GPA | 3 Credit Hours

NURS 5680

Pediatric Acute Care NP Advanced Practicum

Clinical preceptorships in selected health practice sites with opportunities to apply knowledge, skills and concepts in a guided, progressive context of pediatric acute care advanced nursing practice. The ratio of credit to clinical hours is 1:4.

| Prerequisites: NURS 5373, 5374, 3.0 GPA | 6 Credit Hours

NURS 5685

Pediatric Primary Care NP Advanced Practicum

Clinical preceptorships in selected health practice sites with opportunities to apply knowledge, skills and concepts in a guided, progressive context of pediatric primary care advanced nursing practice. The ratio of credit to clinical hours is 1:4.

| Prerequisites: NURS 5371, 5372, 3.0 GPA | 6 Credit Hours

Total Hours for the Program

54 Semester Credit Hours, 1260 Clinical Hours
