

**Master of Science in Public Health  
Estimated Program Expenses**

- ◆ The master's of public health program consists of both coursework and cumulative experiences; there are additional costs involved. These additional costs are indicated on the chart below.
- ◆ Prices listed are estimates and based on previous expenses; all pricing and requirements are subject to change. Prices listed are rounded to the nearest \$5.00.
- ◆ For a student pursuing an advanced degree, funding may be limited. For additional information, contact the [UT Arlington Financial Aid Office](#).
- ◆ Due to the rigorous nature of the athletic training program and the time commitments of the coursework and clinical, it is recommended that students work on a part time basis. Some students may find that is too much, depending on other commitments and personal study habits.
- ◆ UT Arlington offers the [Money Management Center](#) as a resource for assistance with budgeting, savings and credit awareness. Appointments are available in person, over the phone, or via Skype.
- ◆ CONHI Scholarships are available. Apply through [Scholarshop](#).
