

Year 1			
	Course #	Course Title	Hours
Fall Year 1 9 Hours	Adv. Mthds.	See Note 1	3
	NURS 6302	Health of Culturally Diverse and Vulnerable Pop.	3
	KINE 6100	Seminar in Kinesiology	1
	KINE 6105	Lab Rotations	1
	KINE 6103	Professional Development	1
Spring Year 1 9 Hours	NURS 6304	Measurement in Culturally Diverse and Vulnerable Populations	3
	KINE 6100	Seminar in Kinesiology	1
	KINE 5326	Cardiovascular Physiology of Exercise	3
	KINE 6293	Grant Writing	2
Summer Year 1 6 Hours	KINE 53XX	3 Hour Track Elective	3
	KINE 6394	Research in Kinesiology	3

Year 2			
	Course #	Course Title	Hours
Fall Year 2 9 Hours	KINE 6594	Research in Kinesiology	5
	KINE 53XX	N&H Control of the Circulation during Exercise	3
	KINE 6100	Seminar in Kinesiology	1
		Comprehensive Examination (Requires Approval of Dissertation Cmmte.)	
Spring Year 2 7 Hours	KINE 5330	Environmental Physiology of Exercise	3
	KINE 6399	Dissertation	3
	KINE 6100	Seminar in Kinesiology	1
		Dissertation Research Proposal (Must follow Comps within 1 long semester)	
Summer Year 2 6 Hours	KINE 6399	Dissertation	3
	KINE 6394	Research in Kinesiology	3

Year 3			
	Course #	Course Title	Hours
Fall Year 3 6 Hours	KINE 6699	Dissertation	6
Spring Year 3	<i>Candidates who finish their dissertation by the Fall deadline will graduate in Fall. Candidates who continue dissertation work will be directed to enroll in the appropriate seminar.</i>		
Summer Year 3	<i>Candidates who finish their dissertation by the Spring deadline will graduate in Spring. Candidates who continue dissertation work will be directed to enroll in the appropriate seminar.</i>		

Notes	
Note 1:	For 3 hours of Advanced Methods, you may take -one- of the following three courses: Applied Statistical Principles in Kinesiology (KINE 5305) -or- Advanced Statistics -or- Advanced Research Methods.

GRADUATE!
