

College of Nursing and Health Innovation State Authorizations: Table of States

About the Table

The following information is intended for enrolled and prospective students to indicate whether programs leading to professional licensure or certification meet educational requirements. This information is reviewed/updated on a semi-annual basis to maintain currency.

- “Y” designates that the institution’s curriculum meets state educational requirements for professional licensure or certification as of the last review.
- “N” designates that the institution’s curriculum does not meet state educational requirements for professional licensure or certification as of the last review.
- “X” designates the institution has not made a determination of whether the curriculum meets educational requirements.
