Preceptor Program for College of Nursing
Health and Innovation

Graduate Nursing MSN Nursing Education Practicum

Course Number
NURS 5362

Course Name
Teaching Practicum

Course Description
Preceptorship in selected health care sites with opportunities to apply clinical and educational knowledge, skills, and concepts in a guided, progressive context of nursing education.

Semester Credit Hours
3

Course Outcomes
1. Use evidence-based knowledge to facilitate learning of selected student populations within a defined patient population.
2. Use formative and summative evaluation to assess learning outcomes and modify teaching activities.
3. Collaborate with faculty and staff to provide student learning experiences.
4. Develop, implement and evaluate age-and culturally appropriate education resources to help a client population effectively promote their health and/or manage a chronic or acute illness.
5. Implement the educator role in selected settings.
