

# Preceptor Program for College of Nursing Health and Innovation

## Graduate Nursing MSN Nursing Education Practicum

### Course Number

NURS 5362

### Course Name

Teaching Practicum

### Course Description

Preceptorship in selected health care sites with opportunities to apply clinical and educational knowledge, skills, and concepts in a guided, progressive context of nursing education.

### Semester Credit Hours

3

### Course Outcomes

1. Use evidence-based knowledge to facilitate learning of selected student populations within a defined patient population.
2. Use formative and summative evaluation to assess learning outcomes and modify teaching activities.
3. Collaborate with faculty and staff to provide student learning experiences.
4. Develop, implement and evaluate age-and culturally appropriate education resources to help a client population effectively promote their health and/or manage a chronic or acute illness.
5. Implement the educator role in selected settings.
