**TEAMING PARTNERS** Strike Group LLC as the Primary Contractor has a teaming relationship with the following companies:

**Tooling Tech Group:** Strike Group has a teaming agreement with the Tooling Tech Group. We proudly serve the die cast, aerospace, and general machining industries, and excel in 5 axis & high speed machining. Our success is derived from the partnerships we've created with our customers by understanding their needs and helping them succeed in their respective industries.

**Henkel Chemical Management:** This program provides a full range of chemical processing products and services to consumer, industrial, manufacturing and distribution industries at its L-3 Platform Integration facility in Waco TX. All aspects of chemical acquisition and point-of-use inventory management are integrated to promote cost reduction, process improvement and environmental compliance.

**Xerox Ship Rider Program:** Provides maintenance and repair services for Xerox's IDIQ contract for copier/printer equipment throughout all the Navy's aircraft carrier fleets while in port and deployed.
