

Focus on Planning Program

How it works

START

Enroll in the **FOUNDATIONS** set of courses
(these must be taken in the order below)

Evaluating Your Course Design

An introduction to quality assurance using the standards from the Quality Matters Higher Education Rubric.

01

Quality Meets Alignment

Discover the concept of alignment through a course mapping process.

02

Content Development

Learn strategies to develop and select instructional materials, learning activities, and assessments.

03

ADD

Check the schedule and plan when to enroll in each of the **ELECTIVE** courses.
(these can be taken in any order)

Creating Presence

Enhance your presence in your course through communication strategies and learning activities.

E1

Accessibility

Ensure your course is accessible for all learners, regardless of auditory, cognitive, physical, speech, or visual capabilities.

E2

Rubrics

Create manageable rubrics to support student learning and instructor grading.

E3

Strategic Video-Making

Learn the fundamentals of video-making to create engaging videos.

E4

Learning Analytics

Locate, interpret, and take action based on data available in your Canvas course.

E5

FINISH

Certificate of Completion

Complete each course's requirements and earn a Focus on Planning Certificate of Completion!
