Application Priority Dates

Fall: March 15
Spring: October 15
Summer: April 1

Applications are accepted after the published priority date for each term, but for guaranteed consideration of admission, submit your application and associated materials by the priority date. It is important to apply well in advance of your intended start date to be eligible for program-specific funding opportunities such as assistantships and fellowships. Keep in mind that departmental application processing times vary greatly and some programs require applications up to one year in advance.

For program-specific requirements and merit-based funding opportunities, visit the University Catalog (catalog.uta.edu) or contact your intended program graduate advisor.
