What grades are used to calculate your 3 COE GPAs?

Cumulative GPA:

- All UTA courses taken and attempts, excluding those where a grade forgiveness has been granted

Engr/Math/Sci:

- Pre-professional courses completed at UTA which are Engr/Math/Sci
- If taking ENGR 1251, must also take ENGR 0251
- The social science elective, ECON 2305 or IE 2308, is not included in the calculation
- Only courses that specifically fulfills a requirement in your degree plan counts towards Engr/Math/Sci GPA. For example: MATH 1421 and MATH 1302 are not on the degree plan—they are prerequisites for subsequent math courses which are on the degree plan
- One three (3) hour math elective needs to be completed for your degree. Only the first completed math elective grade will count in the Engr/Math/Sci GPA calculation, even if another elective course is completed. If another elective is completed to increase your GPA to move off COE probation, contact the COE probation academic advisor

Major:

- Pre-professional courses completed at UTA which are CSE

Regulations Regarding Work at UTA

Scroll down to item 9: **Three-Attempt Rule**

Grades which constitute an attempt:

- those earned from both UTA and outside institutions; and
- a grade of W, with the exception of all courses being dropped in the term for which the W was credited to your account; and
- D, F, W grades are always considered attempts, even if a grade forgiveness or exclusion has been granted

Grades used to calculate the three (3) COE GPAs:

- All UTA course attempts, **excluding** those where a grade forgiveness or exclusion has been awarded

Grade of D

A grade of D earned outside of UTA does **not** transfer in.
