Definition of “Sexual Harassment” under Title IX

1. An employee of the institution conditioning the provision of an aid, benefit, or service of the institution on an individual’s participation in unwelcome sexual conduct (Quid Pro Quo);
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the institution's education program or activity; or
3. “Sexual assault,” “dating violence,” “domestic violence,” or “stalking” as defined under Clery/VAWA.

#2 Element Examples

- “Severe”: Physically threatening or humiliating; effects of the alleged conduct to a reasonable person (using a “reasonable person” standard)
- “Pervasive”: Frequency, duration of the alleged conduct
- “Objectively offensive”: To a reasonable person (using a “reasonable person” standard)
- “Reasonable person” standard: An objective test to denote a hypothetical person who exercises average care, skill, and judgment in conduct under similar circumstances as a comparative standard.
- “Effectively denies…equal access”: Totality of the circumstances

Examples: the degree of the alleged conduct’s interference with the CP or effects in an educational or work setting, type of alleged conduct, frequency and duration of the conduct, knowingly unwelcome in nature.
**“Education program or activity” under Title IX**

Includes locations, events, or circumstances over which the institution exercises **substantial control** over both the respondent and the context in which the alleged sexual harassment occurs, and also includes **any building owned or controlled by a student organization** that is officially recognized by the institution.

- **Example** of a “building owned or controlled by a student organization”: Fraternity or sorority house that is occupied by students of the organization, and the student organization is a recognized organization with the institution.

**Definition of “Other Inappropriate Sexual Conduct”**

Conduct on the basis of sex that does not meet the definition of “sexual harassment” (under the Model Policy), but is

1. Verbal conduct (including through electronic means), unwanted statements of a sexual nature intentionally stated to a person or group of people, that are objectively offensive to a reasonable person and also so **severe or pervasive** that it created a Hostile Environment, as defined in the Model Policy.

Institutions must reasonably respond in light of known circumstances...

1. Stop & prevent behavior from continuing or escalating
2. Remedies: Supportive measures & resources
3. Formal grievance process
Why is it important that institutions respond to reports of sexual misconduct?

**Institutions** provide:
- Campus remedies & supportive measures (with or without filing a formal complaint)
- Prompt, fair, & equitable grievance processes (by filing a formal complaint)
- Preponderance of the evidence standard (in the formal grievance process)
- An informal resolution option (in some circumstances, if available)

Key Pillars: Title IX Process

For all of the participants in the process:
- Complainants
- Respondents
- Witnesses
- Third-party Reporters

- Impartiality
- Respect
- Fairness
- Equity
Serving Impartially in Your Role

- Must avoid **prejudgment** of the facts at issue
- Must avoid **conflicts of interest**
- Must avoid **bias**

Source: Title IX Regulations (2020)

Principles for Title IX Process

- Must maintain **complete neutrality & impartiality at all times** in investigating alleged conduct violations of institutional policies.
- Understanding bias & whether it exists: Need to take an “**objective, common sense approach to evaluating whether a person serving in a role is biased.**” (Title IX Preamble (2020))
• **Must not** treat a party differently:
  - On the basis of the person’s **sex**;
  - On **stereotypes** about how men or women behave with respect to sexual violence; and/or
  - On the basis of the person’s **characteristics**: sex, race, ethnicity, sexual orientation, gender identity, disability, immigration status, financial ability, socioeconomic status, or other characteristic.

- Sex Discrimination
- Sexual Harassment
  - Sexual Assault
  - Dating Violence
  - Domestic Violence
  - Stalking
- Retaliation
- Sexual Exploitation
- Other Inappropriate Sexual Conduct
- False Information & False Complaints
- Interference with the Grievance Process
- Failure to Report (for Responsible Employees)

Policy Differences Note: For the purposes of this training, the UTS Model Policy for Sexual Misconduct will be the primary policy reference. UT Institutional policies may have some differences.

UT System Model Policy for Sexual Misconduct (2021)

First Amendment Rights: Free Speech & Academic Freedom

Constitutionally protected expression cannot be considered Sexual Misconduct (e.g. “sexual harassment,” “other inappropriate sexual conduct”) under the institution’s Sexual Misconduct policy.

Note: Neither party may be restricted from discussing allegations or from gathering evidence in a grievance process.
Possible questions and/or issues to consider further:

a. Is there a sufficient pedagogical nexus to the curriculum and expression at issue?

b. Does the expression at issue conflict with policies or standards of conduct?

c. Is the expression at issue being addressed (e.g. investigated, examined) because of its disruptive effect?

d. Is the expression at issue being addressed (e.g. investigated, examined) because of the content of the speech?

e. Any mitigating action by the faculty, such as giving trigger/content warnings of the possibly provocative content?

Retaliation Prohibited under Title IX

No institution or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX; or because an individual has made a report or formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing.
Definition of “Retaliation”

Any adverse action (including, but is not limited to, intimidation, threats, coercion, harassment, or discrimination) taken against someone because the individual has made a report or filed a Formal Complaint; or who has supported or provided information in connection with a report or a Formal Complaint; participated or refused to participate in a Grievance Process under this Policy; or engaged in other legally protected activities.

Note: Any person who retaliates against (a) anyone filing a report of Sexual Misconduct or Formal Complaint, (b) the parties or any other participants (including any witnesses or any University employee) in a Grievance Process relating to a Formal Complaint, (c) any person who refuses to participate in a Grievance Process, or (d) any person who under this Policy opposed any unlawful practice, is subject to disciplinary action up to and including dismissal or separation from the University.

Source:
UT System Model Policy for Sexual Misconduct (2021)

Possible questions and/or issues to consider further:

a) Did the complaining party experience adverse action?

b) If yes to (A), was the adverse action taken because of protected activity in which the complaining party was engaged in?

c) Did the person of concern offer a non-retaliatory or non-discriminatory reason for the action taken?

d) If yes to (C):
   • Was this reason legitimate; or
   • Was this reason pretext for retaliation or discrimination?
Under the institution’s Sexual Misconduct Policy, **Responsible Employees** have a duty to report incidents and information reasonably believed to be sexual misconduct (prohibited conduct defined) under the Policy.

All employees are Responsible Employees (except Confidential Employees or police officers when a victim uses a pseudonym form). Responsible Employees include **all** administrators, faculty, and staff.

Responsible Employees must report all known information concerning an alleged incident of sexual misconduct to the **Title IX Coordinator**.

---

**Definition of “Failure to Report” for Responsible Employees**

If a Responsible Employee **knowingly** fails to report all information concerning an incident the employee reasonably believes constitutes stalking, dating violence, sexual assault, or sexual harassment committed by or against a student or employee at the time of the incident, the employee is subject to disciplinary action, including termination.

TIXC: Options for Next Steps

- Supportive Measures for the CP
- CP's right to file a formal complaint
- TIXC files a formal complaint, in lieu of a Reluctant Complainant and/or compelling reasons to investigate further...
TIXC: File a Formal Complaint?

FAQ’s:

• When should the Title IX Coordinator sign a formal complaint?
• Under what circumstances?

Consider if there are compelling reasons:

1. The nature, circumstances, & seriousness of the alleged conduct;
2. The safety & risk of harm to others;
3. Any pattern evidence, other similar conduct or allegations of the RP;
4. RP’s affiliation with the institution & applicable options for institutional action; and/or
5. Other relevant factors in the specific matter?

Informal Resolution

Formal Complaint Dismissal
**Mandatory Dismissals** are required when the **definitional or any** element of the **jurisdictional** framework under Title IX **is not met**:

- Conduct alleged constitutes “**sexual harassment**” under the regulations;
- Conduct alleged occurs in the institution’s “**education program or activity**”;
- Conduct alleged occurs against a person “in the United States”; or
- Complainant is **participating in** or **attempting to** participate in the “education program or activity” of the institution.

---

If **Mandatory Dismissal** is required, then are additional **discretionary reasons** for a dismissal applicable to the specific circumstances?

- CP expressly **prefers to dismiss** the formal complaint or requests to not investigate the matter.
- RP was an employee and is **no longer employed** by the institution at the time the formal complaint is filed.
- Any **specific circumstances** that prevent the institution from gathering evidence sufficient to reach a determination as to the formal complaint or allegations.
- The conduct alleged does not meet the definition of **any** prohibited conduct under the institution’s Sexual Misconduct Policy.
Dismissing a Formal Complaint under Title IX doesn’t preclude an institution from addressing conduct prohibited under an institution’s policy through a fair and equitable grievance process…

Triage Again

Consider compelling reasons for continuing a grievance process:

1. The **nature, circumstances, & seriousness** of the alleged conduct;
2. The **safety & risk of harm** to others;
3. Any **pattern evidence**, other similar conduct or allegations of the **RP**;
4. **RP’s affiliation** with the institution & **applicable options** for institutional action; and/or
5. Other relevant factors in the specific matter?
Notice of Formal Complaint Dismissal

1. Note the reasons for the mandatory dismissal “under Title IX” (if applicable).

2. Explain the basis/rationale for the following:
   - Additional discretionary reason(s) for dismissing the formal complaint under the institution’s policy and closing the case; or
   - Additional compelling reason(s) for continuing a grievance process under the institution’s policy (e.g. the allegations still apply to the policy).

3. Option to Appeal the F.C. Dismissal

4. Outline next steps in the process (if applicable) or note the conclusion/end of the process with this formal complaint dismissal.

---

Formal Complaint Dismissal (Example #1)

- **Formal Complaint (Signed by TIXC)/Notice Issued**
  - Grounds (examples): Serious nature of the allegations; Multiple reports/alleged incidents naming same RP

- **Initiate Formal Grievance Process (Investigation Stage)**

- **Formal Complaint Dismissed (Close Case)**
  - Basis (example): Specific circumstances that prevent... the gathering [of] evidence sufficient to reach a determination...
  - Specifically (example): Lack of participation from CP

- **Notice of F. C. Dismissal Issued (Close Case): Option to Appeal**
  - Procedural Irregularity
  - New Evidence
  - Bias/Conflict of Interest

- **Appeal Resolution Options**
  - Affirm F.C. Dismissal (Close Case)
  - Remand back to Investigation Stage
Formal Complaint Dismissal (Example #2)

- **Formal Complaint (Signed by CP)/Notice Issued**
  - Allegation(s): “Sexual harassment” allegation (e.g. hugs, shoulder touches, “romantic date” requests, comment about CP’s appearance)

- **Initiate Formal Grievance Process (Investigation Stage)**

- **Formal Complaint Dismissed (“Under Title IX”) & Cont. Investigation**
  - Basis “Under Title IX” (example): Allegations don’t meet “severe, pervasive, and obj. offensive” elements of “sexual harassment” definition
  - Reason(s) for Continuing (example): Allegations meet definition(s) of other prohibited conduct under SM Policy

- **Notice of F. C. Dismissal Issued (“Under Title IX”): Option to Appeal**
  - Procedural Irregularity
  - New Evidence
  - Bias/Conflict of Interest

- **Appeal Resolution Options**
  - Affirm F.C. Dismissal (“Under Title IX”) & Cont. Investigation under SM Policy (e.g. with “other inapp. sexual conduct” allegations)
  - Cont. Investigation “Under Title IX” (e.g. with “sexual harassment” allegations)

  - Formal Grievance Process
  - Informal Resolution
  - Formal Complaint Dismissal
1. It’s an alternative resolution option once a formal complaint is filed.
   - Available as an option at any time prior to reaching a determination regarding responsibility.
   - Doesn’t involve a full investigation & adjudication.
   - May be facilitated through mediation (as an example).
   - Informal Resolution Process must include: (a) Written notice of allegations, (b) Requirements of the informal process, & (c) Any consequences resulting from participating in an informal process (e.g. record keeping).

2. Not permitted as a resolution option “under Title IX” when an employee respondent is alleged of “sexual harassment” by a student complainant.

3. Examples of other non-applicable reasons* due to seriousness and/or pattern of allegations:
   - Sexual Harassment cases
   - Sexual Violence cases
   - Dating or Domestic Violence cases
   - Stalking cases
   - The same respondent has previous informal resolution agreements

* Check the institution’s Sexual Misconduct Policy for specific provisions
Informal Resolution Timeframe (Example)

Informal Resolutions of a formal complaint will be concluded within **45 days** of notice to the institution that both parties wish to proceed with the Informal Resolution process.

**Note:** Circumstances may require a **temporary delay** in this timeframe & the institution may extend this timeframe for **good cause**.
- Provide **notice** to the parties for temporary delays or extensions.

Emergency Removals

1. Individualized safety & risk analysis: Determines that immediate threat to the physical health & safety of any student or other individual arising from the allegations justifies the respondent’s removal from the education program or activity.
   - Notice & opportunity to challenge the decision immediately following the removal.
   - Rights under ADA & Section 504 still apply.

2. Doesn't preclude an institution from placing non-student employee respondents on administrative leave during the pendency of the grievance process.

• Consider providing an advisor, if an advisor of choice has not been involved.

Evidence Pyramid

- Relevant evidence
- Evidence directly related to the allegations
- Evidence included in the Investigation Report

- All responses to the evidence must be submitted in writing to the investigator(s)

* Advisor of choice; or the provided advisor by the institution (If applicable)

The investigators will consider all timely responses submitted by the parties prior to completing the investigation report.
Draft vs. Completed Investigation Report

FAQ’s:
• When should the investigation report be released to the parties (and the party’s advisors)?
• Can the institution provide a draft investigation report first?

Send each party (& the advisors*) the completed investigation report:
  o At least 10 days prior to the scheduled hearing
    • Why? Opportunity for the parties to inspect, review, & respond to the investigation report (at the hearing)
  o A copy of the investigation report to the TIXC and hearing officer assigned.

* Advisor of choice; or the provided advisor by the institution (If applicable)
Investigation Timeframe (Example)

The investigation of a formal complaint will be concluded within **90 days** of the filing of a formal complaint.

**Note:** Circumstances may require a temporary delay in this timeframe & the institution may extend this timeframe for good cause.
