

2014-2015 HONORS COLLOQUIA

“Landscape Architecture: The New Environmental Profession”

Professor Pat Taylor, Director of the UT
Arlington Landscape Architecture Program

The green movement has made landscape architecture more important than ever, as we try to understand how to build and live in an environmentally sustainable way. In the second Honors Colloquium of the 2014-2015 Academic Year, Dr. Pat Taylor, Director the UT Arlington Landscape Architecture Program, will describe what landscape architects do, and the influence of the UT Arlington Program both nationally and abroad.
