

Minutes of the Undergraduate Assembly, April 11, 2017  
The University of Texas at Arlington

The Undergraduate Assembly met in regular session on Tuesday, April 11 at 2:15 p.m. in the UC Red River/Concho room. Vice Provost, Pranesh Aswath presided.

Meeting called to order 2:16 p.m

**Welcome Remarks**

Dr. Aswath welcomed the Assembly and thanked them for their role in a successful SACS reaffirmation

**Approval of February 28 Minutes**

Sergio Espinosa requested a correction: Dr. Elsenbaumer did not ask student senate to provide a list of pros and cons regarding their proposal to change the calendar.

Motion to approve. Seconded with corrections. All approved

**Submissions from the UCC**

Full report of UCC submissions is attached to these minutes

The committee discussed which departments should offer which lower-level classes. Should math for computers be offered by math or computer science? This question has come up before. Example, COLA had a question about stepping on the toes of NURS/KINE.

Dr. Ram Venkataraman noticed a AASP 6691 on the list. Dr. Diane Lange confirmed this was in error.

Motion to approve. Motion seconded. All approved.

**2018 Academic Calendar**

18-19 calendar was submitted back in January. A special calendar review committee was assembled to review the following items.

1. Student congress resolution to move start of fall term to Wednesday instead of Thursday. President still not decided on resolution
2. Good Friday as a holiday. Eunice Currie attended to talk about holidays. University is entitled to 9 national holidays, 8 state holidays. All holiday days are taken either by

holidays or for winter break week. We are constrained as to when we can take those days. Recommendation was made to add the foundation of the UN as a school holiday.

3. Late registration - some feel it is too long. Committee would limit late registration to 4 days.
4. Need another day for departmental exams. Saturday is filling up
5. Drop day. Exams given prior to drop day are a logistical nightmare to grade.  
Recommend moving drop date from Wednesday to Friday. Can we change the drop to end of the calendar week rather than end of the 10th day of classes?

Dr. Ruth Gornet moved to make the last day to drop classes to Friday in the fall 2018. From October 31 2018 to November 2.

Dr. Venkataraman recommended we vote to change the policy rather than give an exact day  
Dr. Angela Dougall seconded the motion

Motion made by Dr. Seiji Ikeda to change the first day of school to a Wednesday and to hold no classes on the Wednesday before Thanksgiving for the 2018-19 academic calendar. Also, to change the drop day policy to move fall drop date to the first Friday on or after the end of the 10th week of classes.

Dr. Joshua Nason seconds  
Motion passed unanimously

### **Election of UA Secretary**

Joshua Nason was nominated as UA secretary  
Approved unanimously

### **Scheduling UA meeting dates for**

Approved dates for the 2017-18 meetings are as follows

October 3, 2017  
November 7, 2017  
January 30, 2018
